# Soldiers With Fixed Bayonets Lead Pupils Into School

## ★ INTEGRATION IS TOP NEWS ACROSS SEAS

London (AP)—The Little Rock integration story was front-page news under big headlines in European newspapers today. Communist newspapers seized upon the story for barbed attacks on the United States.

A Moscow newspaper, Soviet Russia, said "Little Rock disclosed the true face of democracy in America."

The Communist youth paper, Komsomol Pravda, gave more than two front-page columns to a report of what it called "terrible deeds of white racists" and said these followed "so many beautiful words about freedom of the people in America." It added that American desegregation problems were developing at a time when U. S. representatives in the United Nations were complaining about an alleged lack of civil liberties in East European countries.

In Paris, a band of men scrawled the words "Vive faubus" across the walls of the U. S. Embassy. The reference was to Arkansas Gov. Faubus. U. S. prestige and popularity was believed to be taking its sharpest dive in France since the Suez crisis.

The non-Communist, left-wing Franc-Tireur charged that President Eisenhower has seen "his authority overthrown and the law made an object of derision."

The extreme right-wing Aurore commented: "A Lincoln, a Roosevelt or a Truman would never have tolerated it. But during the time he took to think it over, didn't Eisenhower think how Communist propaganda would profit from these events?"

The trouble was told in stories prominently displayed in the press of Italy, the Netherlands, West Germany and Austria. The Com-

## Helicopter Sets Ike Down at Newport, R. I.

Newport, R. I. (AP)—President Eisenhower returned to his vacation headquarters today after telling the nation from Washington why he ordered federal troops into Little Rock in the school integration crisis.

A Marine helicopter put the President down on the lawn of the Newport White House at the U. S. Naval Base.

The copter brought him across Narragansett Bay from Quonset Point, R. I., where his four-engine plane, Columbine III, had arrived from Washington a few minutes earlier.

The President was smiling.

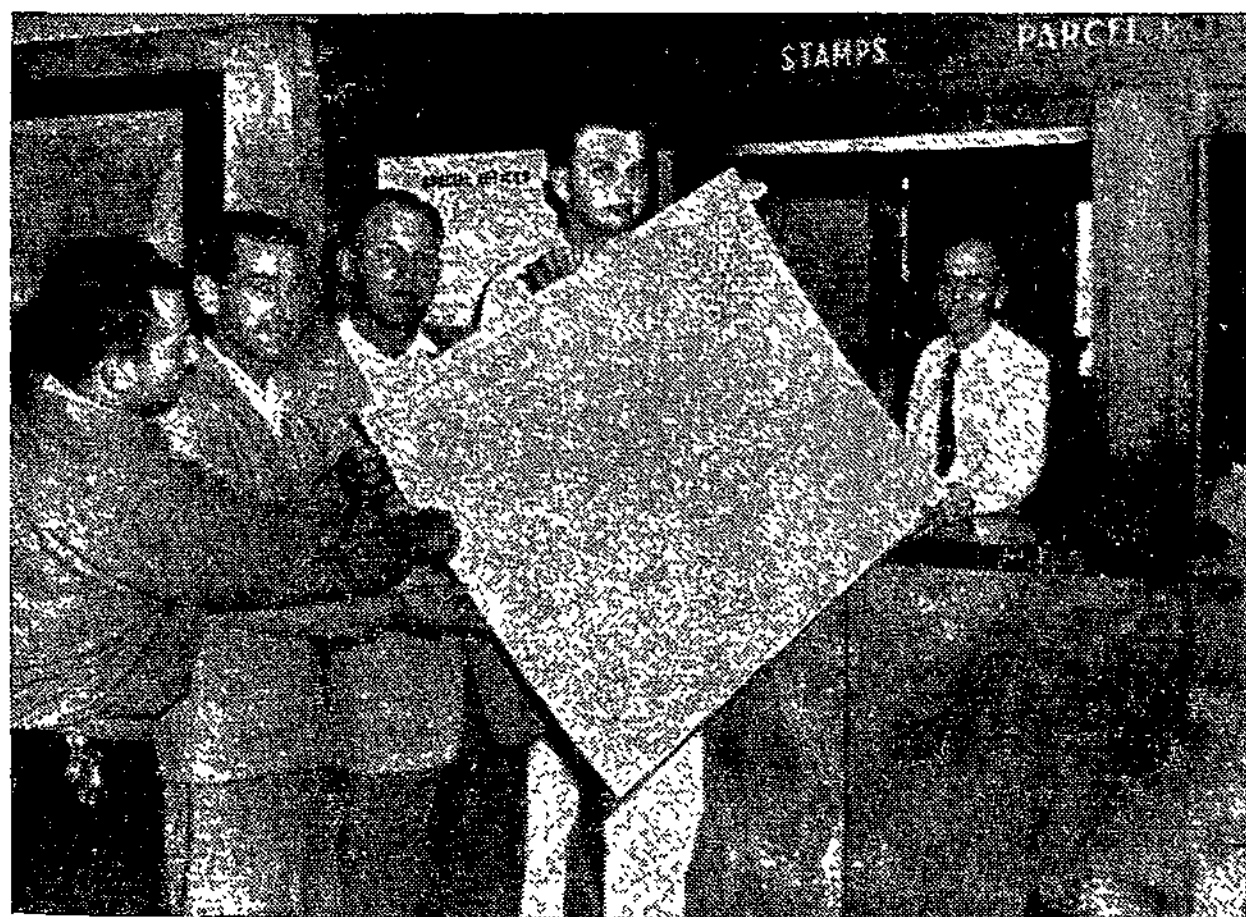

A Navy cabin cruiser was set to take Eisenhower back across the bay for a round of golf at the Newport Country Club.

## Miss Weiler Praised by Ike

Miss Sallie Weiler, 1956 Community Ambassador, received a book by another Youth Ambassador and an autographed picture of President Eisenhower in a surprise presentation Monday night when the Homemakers group met in North Warren Community House to hear the first talk by 1957 Youth Ambassador Dawn Taft. William Farnick, at left, a vice president of Jaycees who sponsored the ambassador project, cited Miss Weiler for carrying on her speaking engagements as Youth Ambassador despite an amputation. A letter from Ann C. Whitman, Eisenhower's personal secretary, read in part: "When I told the President both of Miss Weiler's fine contributions to international understanding and of her courage in the face of a difficult personal situation, he asked me to express to her, through you, his admiration along with his best wishes." Photo by Stokes Studio.

## Giant Postcard for Penn'a Governor

Some 700 employees of Warren State Hospital sent along this little reminder to Gov. George Leader yesterday, with the notation that those signed underneath "were extremely desirous that you give serious favorable consideration to the Pennsylvania State Employees Council No. 26 request for a \$2 per day cost of living salary increase for all state employees." From left are Peter Baxter, trustee of State Hospital Local No. 469; Charles Hagan, vice president; Raymond Anderson, president; Tom Wine-riter, secretary; and postal clerk Wayne McMichael. Saylor Photo.

## Mostly Fair and Cool Is Weather Forecast

By The Associated Press  
Extended forecast for Thursday, Sept. 26 through Monday, Sept. 30.

Western Pennsylvania, western New York and West Virginia: Temperature will average 2 to 4 degrees below normal, cool north somewhat warmer south Thursday, turning cooler during Friday and cool over weekend, warmer Monday. Scattered showers Friday and rain mostly in south about Sunday, total rainfall around ¼ inch.

## Entrapping Scheme Is Charged to the Hoxey Attorneys

Pittsburgh (AP) — An attorney for the Hoxey Cancer Clinic at Portage, claims the U. S. Food and Drug Administration (FDA) tried to "entrap" the clinic by introducing evidence not known to defense counsel.

The charge was hurried yesterday a hearing in U. S. District Court on a government motion for a permanent injunction to enjoin the clinic from dealing with out-of-state patients.

(Turn to Page Fourteen)

Officers of the Warren, State Hospital Local No. 469 of the American Federation of State, County, and Municipal Employees, AFL-CIO, yesterday mailed a large postcard to Governor Leader, requesting he give serious favorable consideration to Pennsylvania State Employees Council No. 26's request for a two dollar per day cost of living salary increase. The back and front of the card contains the signatures of over 700 of approximately 900 employees of the hospital.

Raymond E. Anderson, president of the local pointed out that state employees have not received a general salary increase since the ten percent increase given by Governor Fine in 1953. This situation is forcing many good, career, state employees to seek jobs in either industry or other states. The turnover rate among state employees is far more costly than would be the cost of granting this increase to permit the State to hire and retain good employees said Anderson.

Mr. Anderson further stated that the Local and the Council were asking for a flat increase because as is too well known a percentage increase does little for those many employees in the lower salary brackets who are difficult to obtain and retain. He explained that this \$2 per day is not an over-zealous figure, nor is it one which was just pulled out of the blue, but rather one of a basic minimum necessity.

Mr. Anderson stated that the members of the Warren State Hospital Local No. 469 were hopeful that the card would serve to call the Governor's attention to the plight of state employees and act to alleviate this particular stress and unfortunate position of state employees in light of present day economy and standard of living.

## Nice Autumn Weather Is The Rule Across Nation

By The Associated Press  
Pleasant autumn weather was the rule in most all parts of the nation today.

Only a few areas reported wet weather and amounts were generally light. Showers sprinkled northern Michigan and parts of southern Florida and southern and western Texas.

It was a little cooler in most of the Atlantic Coast region except Florida.

## Sylvania Engineer Is Sent to Connecticut

William R. Farnick, industrial engineer in Sylvania wire department and an active Jaycee vice president, has been transferred to Sylvania Formatic Plant in Naugatuck, Conn.

Farnick, a native of New York City, has been in Warren three years, coming here after a year with Sylvania at Nelsonville, Ohio. He graduated with a B. S. degree in engineering from Oklahoma A & M and received a Master's Degree from Ohio University.

Farnick, who resided at 2 Dartmouth street, will leave Saturday.

## Door Is Barred Another Year For Red China

United Nations, N. Y. (AP)—The U. N. General Assembly has barred the door to Red China for another year over bitter opposition from India and the Soviet bloc.

The Assembly voted last night in favor of a U. S. resolution to shelve the seating issue for the current session.

The vote was 47 in favor, 27 against and 7 abstentions—virtually the same lineup that defeated Peiping's bid for a U. N. seat last year.

With the perennial Chinese question out of the way, the Assembly resumes its general debate. India spearheaded the Peiping campaign with a proposal to place the issue on the Assembly agenda for formal debate. While failing, India succeeded in getting plenty of debate on the record—the main thing the U. S. resolution sought to avoid.

Several Scandinavian countries supported the effort to stage a China debate. So did Ireland, although it condemned Peiping for aggressive policies.

Advocates of seating Red China actually picked up three votes over last year, when their bid was defeated 47-24 with 8 abstentions. They were Ireland and Morocco, who voted in 1956 to shelve the question, and Ghana, a new U. N. member.

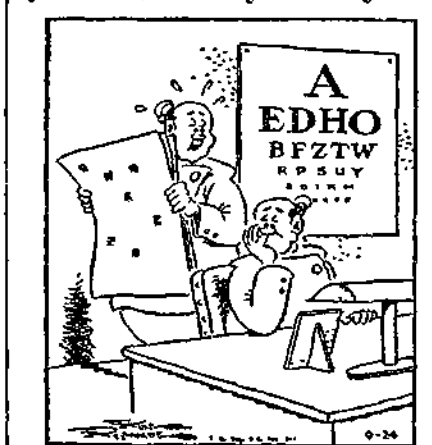

U. S. Chief Delegate Henry Cabot Lodge declared that the United States does not oppose seating Red China because of its political beliefs, but because the Communist regime was not "peace-loving."

Russia's Foreign Minister Andrei Gromyko declared that the U. N. could not bar Red China a seat just because "the United States does not happen to like the way of life" there.

## TEST DELAYED

Atomic Test Site, Nev. (AP)—The next-to-last nuclear test shot of the year was postponed again today by the Atomic Energy Commission because of unfavorable weather. It may be fired tomorrow.

## QUICKIES By Ken Reynolds

"No wonder our business is off, Doc—these Times-Mirror Want Ads are full of carrots!"

## TWO UNIONS ARE DIRECTED TO CLEAN UP

New York, (AP)—James R. Hoffa, vice president of the International Brotherhood of Teamsters, was indicted today on five counts of perjury by a federal racketeers grand jury. The indictment charged that the 44-year-old union leader, a candidate for the presidency of the Teamsters to succeed Dave Beck, lied to the grand jury, during its probe into alleged wiretapping of Teamster headquarters in Detroit. The grand jury also indicted Benjamin Franklin Collins, secretary-treasurer of Local 299, which is headed by Hoffa. It accused him of 12 counts of perjury in connection with the same investigation.

New York, (AP)—"Clean up or get out" ultimatums to the scandal-smear Teamsters Union and Bakery Workers Union were expected to be issued today by the AFL-CIO high command.

The 29-member Executive Council, top governing body of the merged labor movement, already has ordered the United Textile Workers of America to cleanse itself of corrupt influences within 30 days or face possible suspension from the AFL-CIO.

AFL-CIO President George Meany told newsmen that at the very least the 40,000-member Textile Union would have to oust its president, Anthony Valente, and secretary-treasurer, Lloyd Klenert. Meany said he had no reason to think that the Executive Council would feel otherwise toward the Teamsters, toward the other two accused unions.

After acting on the Textile Union yesterday, the Executive Council turned today to the cases of the 1,400,000-member Teamsters Union and the 138,000-member Bakery and Confectionary Workers International Union.

Today's action on the Teamsters was expected to include a demand that Vice President James R. Hoffa and other accused leaders be removed from union leadership. This includes Dave Beck, retiring president for whose post Hoffa is fighting.

Some friends of Beck are seeking to have him named president emeritus, with continuation of his \$50,000 salary and big expense allowance, at the Teamsters convention in Miami Beach next week.

A report of the AFL-CIO Ethics Practices Committee which is before the Executive Council for action today cites Beck, Hoffa, Frank W. Brewster of Seattle and Sidney L. Brennan of Minneapolis, both vice presidents of the Teamsters, as guilty of improper dealings.

## Pittsburgh Firm Is Highest Bidder for Off-Shore Drilling

Harrisburg (AP)—The way was clear today for the first off-shore drilling for natural gas and oil under that part of Lake Erie considered part of Pennsylvania property.

A Pittsburgh firm yesterday offered the state \$90,917 for the unprecedented rights to conduct "wildcat" operations in two tracts of the lake area comprising a total of 35,630 acres.

The two high bids for the drilling rentals were submitted by the New York State Natural Gas Corp., Pittsburgh.

"We were disappointed that we only had two bidders on this likely project," said Dr. Maurice K. Goddard, forest and waters secretary.

However, he said he was "happy" at the size of the bid. New York State Natural Gas submitted a high bid of \$3.79 an acre to lease 19,130 acres in Lake Erie for one year. It bid \$1.11 an acre on a second tract 16,500 acres in size.

There was a considerable spread between the bids offered by the Pittsburgh firm and the only other bidder—Kewanee Oil Co., Philadelphia.

## PEDESTRIAN KILLED

Uniontown (AP)—A pedestrian killed last night by an auto in nearby North Union Twp. was tentatively identified today as Andy Mehel of Uniontown. State police said identification was made from papers found in the man's clothes.

MRS. NOBLE CLARK  
Dies of injuries

## Crash Injuries Prove Fatal to Area Resident

A 35-year-old mother of three became Warren County's sixth traffic fatality of 1957 this morning when Mrs. Lenore Clark of Pittsfield, died in Warren General Hospital of injuries sustained last Sunday night in a head-on collision along Matthews Run Road north of Youngsville.

Death came despite a battle against time yesterday afternoon when sheriff's departments from Chautauque County, N. Y., and Warren County combined to rush a replacement part for Mrs. Clark's iron lung from WCA Hospital in Jamestown to Warren.

Mrs. Clark sustained lung damage plus multiple fractures, including the skull, in the accident. An iron lung was brought to Warren from Jamestown that night. Yesterday a collar of the instrument was found to be broken so that it could not function properly.

A hurried call to Jamestown brought a police escort for the replacement part to the state line where Sheriff's Deputy Don Allen picked up the part and escorted it to the Warren hospital.

Mrs. Clark was one of three members of her family injured in the accident. Her husband, Noble, aged 35, driver of the vehicle, was taken to Warren General Hospital with facial lacerations and a fractured right ankle. His condition is reported "good" today, along with 11-month-old daughter, Kristen Sue, also admitted with a severe facial laceration. Mr. Clark was discharged today. Another child, six-year-old son, Gregory, escaped injury in the collision.

Driver of the other car, Elizabeth Shanahan, 25, of Lakewood, N. Y., who collided head-on in the Clark southbound lane of traffic, was taken to WCA Hospital in Jamestown suffering lacerations. Her condition is reported "good."

Coroner Ed C. Lowrey is withholding death certificate pending investigation.

Emma Jeanne Chappel Clark was born May 26, 1922 in Chandlers Valley, the daughter of Mr. and Mrs. A. M. Chappel, RD 1, Grand Valley, who survive.

She graduated from Youngsville High School and attended Pittsfield EUB church. A former Warren resident, Mrs. Clark had been married 15 years.

Surviving besides those mentioned above is a second son, Radford Clark, at home; a brother Noyd Chappel.

## Woman Who Fabricated Kidnap Tale Fined \$100

Pittsburgh (AP)—A \$100 fine against an Elizabeth Twp. woman who allegedly fabricated the story of her own kidnapping that touched off an intensive search has been vacated.

Judge James F. Guffey nullified the fine yesterday on appeal by Mrs. Mildred DeVirgilio. She was fined last spring by a justice of the peace on a complaint filed by several neighbors who joined in a three-day search for her.

Mrs. DeVirgilio turned up several days after she had been believed kidnapped and admitted it was a hoax to throw off a boyfriend.

Judge Guffey ruled that an ordinance under which she was fined did not apply to the situation.

## UNDETERMINED NUMBER OF WHITE STUDENTS REPORTED TO HAVE LEFT THE BUILDING

### BULLETIN

Little Rock, Ark. (AP)—One white man was clubbed and another stabbed with a bayonet in a clash with paratroopers who guarded the entrance of nine Negroes to Central High School today. The clashes came after six Negro girls and three boys walked calmly under armed escort into the previously all-white school to attend classes. A spectator was stabbed in the arm by a bayonet when he apparently was slow in following orders to move on. Soldiers said C. E. Blake, 46-year-old railroad employee, tried to grab a paratrooper's rifle. The soldier quickly reversed his hold on the rifle in combat fashion and the butt struck Blake over the eye. He fell to the street. The incident occurred while troops were moving whites back from the school street.

Little Rock, Ark. (AP)—Negro students walked calmly into the front door of Central High School today while 350 armed U. S. paratroopers guarded their way.

An Army station wagon driven by a soldier brought "about six or seven" Negroes to the front entrance and the students filed in. The soldiers walked into the building with them with fixed bayonets. An undetermined number of white students started leaving the school as the Negroes walked in.

At least a dozen white students walked out immediately. The attendance room inside the school was full of students signing out to leave school.

Inside the school, Gen. Edwin A. Walker, commander of the troops, told the students "I intend to use all means necessary to prevent any interference with the execution of the school board's plan" for integration.

He told the white students "you have nothing to fear from the soldiers" but added "this is what I have been ordered to do, and I intend to carry out my orders."

The entrance of the Negro students today contrasted strangely with their attempt Monday. Today they few spectators kept scattered by the paratroopers said nothing. Monday they screamed, cursed and fought.

Later the school said six Negro girls and three boys entered the building to attend classes they've been trying to enter since Sept. 3.

Earlier the tough paratroopers pointed stubby bayonets at clusters of white men and women today to keep a crowd from congregating at the school before Negro students arrived.

The troops made no threatening gestures. They simply lowered their bayonets and moved the clusters of people away.

Maj. James Meyers of San Antonio, Tex., told the few spectators "You are instructed again to return to your homes peacefully. Disperse and return to your homes."

The 350 battle-ready troops were deployed to skirmish lines about the sprawling school.

Maj. Louis Breault said 1,000 men would be on duty at the school before the day is over.

Negro troops that rolled in with the convoy last night were not at the school and Capt. James A. Smith said "Gen. Walker is not ready to say how they will be used."

In his talk to the students Gen. Walker said Supt. Virgil Blossom had asked him to speak to them.

"One last word about my soldiers," he said. "They are here because they have been ordered to be here. They are seasoned, well-trained soldiers, many of them combat soldiers."

The troops, he said, would maintain "a peaceful atmosphere in the school and in the vicinity."

## ★ States' Rights Status Worry To Governors

By HUGH SHUTTE  
Sea Island, Ga. (AP)—Southern Democratic governors, alarmed by the historic movement of federal troops into Little Rock, Ark., sought means today by preserving states' rights.

The governors found scant comfort in the assurance by President Eisenhower in his televised speech last night that the presence of federal soldiers in the Arkansas capital would turn out to be advantageous.

(Turn to Page Fourteen)

## Balloon Flight May Reveal Secrets of Sun

By SHERMAN LINDELL

New Brighton, Minn. (AP)—A Huge Plastic Balloon bearing a specially built telescope-camera soared over Minnesota today on a flight designed to reveal secrets of the sun that have been obscured down the ages by the murky atmosphere of earth.

The balloon was launched from University of Minnesota airport near New Brighton, about five miles north of Minneapolis and St. Paul, at 7:15 a. m.

Project officials expected it to tow its 1,375 pound gondola load of intricate instruments to "coasting" altitude of 80,000 feet in about an hour and 40 minutes.

There, above 95 per cent of the hazy atmosphere surrounding the earth, it is hoped the camera will record pictures of the sun with a clarity never before obtained.

## "Mob Rule Cannot be Allowed" President Warns in TV Address

By WARREN ROGERS JR.

Washington (AP)—President Eisenhower says he ordered federal troops into Little Rock, Ark., because "mob rule cannot be allowed to override the decisions of the court."

In a hastily scheduled radio-TV address to the nation, he appealed to the American people last night to unite in understanding that he had no choice but to dispatch the troops.

"Unless the President did so," he declared, "anarchy would result." And he emphasized that the troops are there "solely for the purpose of preventing interference with the orders of the court" which directed the admission of nine Negroes to Little Rock's Central High School.

Eisenhower said he personally knows that "the overwhelming majority of the people in the South—including those of Arkansas and Little Rock—are of good will, uni-

ted in their efforts to preserve and respect the law even when they disagree with it."

But he said at another point that "certain misguided persons, many of them imported into Little Rock by agitators, have insisted upon defying the law and have sought to bring it into disrepute."

In other nations, he said, "our enemies are gloating over this incident" and seeking to undermine the nation's prestige and influence around the globe.

He told why he flew from his Newport, R. I., vacation headquarters to the White House—"the house of Lincoln, of Jackson and of Wilson"—to explain the action.

"I felt that . . . my words would more clearly convey both the sadness I feel in the action I was compelled today to take and the firmness with which I intend to pursue federal court at Little Rock can be executed without unlawful interference."

1957 Chairmanship Posts in Community Chest Drive Filled

Marion A. Pettigrew, general chairman for the 1957 Community Chest "Red Feather" campaign for \$74,085 announces that the chairmanship posts in all divisions are now filled through the cooperation of local civic minded persons. The campaign dates are October 14 to 21 during which the following chairmen will be conducting the drive throughout Warren and adjacent areas:

Division A—Special Gifts, Neil Peterson; Industrial, Holger Elmqvist and Edward Ryberg.  
Division B—Commercial, James C. Torrance; Business Offices, Jack Lesser; Chain Stores, Frank Wood; Clubs and Associations, Weston Emworth.  
Division C—Women's Resident, Mrs. Harold Baker.  
Division D—Government, E. S. Knabenshue; Schools, Dr. Carl E. Whipple and David Olson.  
Division E—North Warren, Mrs. Edward Betts and N. Plus Wendebos.

These chairmen are now enlisting volunteer workers in their respective divisions and complete lists for each division will be announced when organization is complete.

Stops Heart Gas 3 TIMES FASTER

Dr. J. H. Smith, M.D., has developed a new method of stopping heart gas. This new method is 3 times faster than the old method. It is a simple, safe, and effective procedure. For more information, contact Dr. J. H. Smith, M.D., at 123 Main St., Warren, Pa.

Mirrored in Our Times

It isn't what you'd call a common occurrence when one newspaper calls attention to another. However, with a daughter listed as Asst. Editor of "The Match" (a Beaty Jr. High School publication) how could we resist? We are expertly informed that the first spark from "The Match" is due to flame on October 4 and students are urged to subscribe for a nominal fee. As in most enterprises, the more paying customers, the better the finished product.

Here's a timely hint from a gal who's a favorite wit—Do you know how to make an alligator bag? —Quote—"Get a skin that doesn't fit!"

And right about now (after a wonderfully hot and sunny summer) there are plenty of women whose skin bears a faint resemblance, at least somewhat, to that of an alligator... rough, bumpy and definitely unattractive. The beautiful summer tan begins to fade and the average skin begins to "fade." In other words, the time has come when mildew is in the market for something that melts and softens into thirsty places and restores moisture to the skin. What is actually required is that lotion with the "heart" of lanolin—magnificent ingredient that will cast a spell over you!

It's "Desert Flower" by Shulton at The Warren Drug Store. It's a magic hand and body lotion in attractive vanity bottle. It's an annual Autumn Special for a limited time only. It's a \$2 value for just \$1... and \$1 values today are unprecedented gift items. Who not purchase several "Desert Flower" specials today?

Jewish New Year Observance Opens At Sundown Tonite

Jews throughout the world will start the celebration of the New Year 5718 this Wednesday evening at sundown with the usual solemnity.

On these days, the Jew looks into the mirror of his conscience, making new resolutions for a better tomorrow. These are the most sacred days of the year. On the first evening of Rosh Hashonah he sits in the synagogue listening to the majestic swells of music, joining in songs of prayers.

The outstanding feature of the rituals is the blowing of the shofor, or ram's horn. The shofor is the bugle which calls us to the service of God, and men. Even as the bugle calls the soldier to duty for his country, the shofor will proclaim reveille—a message of hope that the morning of a new life is dawning for all.

It is a token of hope and faith in the future; it is the instrument destined to herald the arrival of the Messiah. It reminds us that the strife among nations will end some day, and admonishes us to prepare for the great day when real peace and brotherhood will reign in the world.

### One Roadside Rest Is Planned For Each County in the State

Harrisburg—The Department of Highways plans to establish at least one Roadside Rest in each of the Commonwealth's 67 counties by the end of next summer.

Passage of Act 271 by the 1957 General Assembly, signed by Governor George M. Leader on July 1, has accelerated the Roadside Rest program.

Two features of the act are assisting acquisition of sites for the rests. The principal factor is the increase in the amount that can be spent on each one. The new ceiling is \$8,000. The former limit was \$5,500.

The increased allocation enabled the Department this month to begin development of a rest beside U. S. Route 11 about two miles north of Shickshanny in Luzerne county.

The former expenditure limitation delayed development of this site because an access road that must be constructed would have sent the investment in the site to more than \$5,500.

A second feature of the new law is that it enables the Department to place more than one rest in each county.

An earlier law allowed construction of 67 sites. The new law sets no limit on the number of sites, but specified that at least one shall be constructed in each county.

An earlier law allowed construction of 67 sites. The new law sets

no limit on the number of sites, but specified that at least one shall be constructed in each county.

The rests are constructed by Department force workers during periods when more pressing road work is not scheduled.

A feature of the new law is providing some difficulty in acquiring sites. A provision prohibits location of new rests where there are commercial signs within 1,200 feet of each side and in back.

The provision does not apply to advertising or other commercial signs across the highway from the rest.

In order to make certain that advertising will not impinge on the areas, the Department must locate them adjacent to State or Federal land or obtain agreements in writing from owners of the adjacent lands that advertising or other commercial signs will not be erected.

A municipality's zoning regulation prohibiting advertising signs also will suffice.

The rests usually contain several acres and have a frontage of 500 to 600 feet.

A long-standing hurdle in the way of the program is the high cost of frontage along main highways. This is partly caused by heavy roadside commercial development as a result of the post-war boom in automobile travel.

The Department's policy is to locate the rests along main highways so that tourists and others who wish to use the rest do not have to go out of their way to reach them.

At present there are 30 rests in use and five under construction.

Rests are equipped with fireplaces and fire wood, picnic tables, shady areas, sanitary facilities, drinking water and parking areas.

### SUGAR GROVE

Thursday evening dinner guests of Mr. and Mrs. Walter Warner and Mr. and Mrs. Neil Scott, at the Warner home were Rev. and Mrs. O. S. Whitford of Clariton, and Rev. and Mrs. Neal Rogers and daughter Cindy Kaye, of Warrendale.

Mr. and Mrs. Walter Abbott, and family are moving into the apartment recently vacated by Mr. and Mrs. George Morrison in the Clifford Storms home.

Mr. and Mrs. Guy J. Summerson and infant son Bart, have moved into their new house, recently completed.

Dane Carlberg, young son of Mr. and Mrs. Paul Carlberg, Jr., is the guest of his grandparents, Mr. and Mrs. Paul Carlberg, Sr., at Erie.

The TRY Company of the Presbyterian church, have completed plans to serve smorgasbord dinner at the American Legion Home, September, 28th.

The annual meeting, at which the men are entertained by the Hill and Dale Garden Club, will be held at the Community house, Lander, next Wednesday night.

Mrs. William Russell, president of the Sugar Grove Reading Club, will be hostess to the Club, next Thursday evening at eight o'clock, with Mrs. Helen Johnson, showing slides of a recent western trip.

The first meeting of the Sugar Grove Grade School Union P.T.A. was held with Walter Sweeney, presiding and Edwin Young leading devotions. Mr. Sweeney announced the State Meeting will be held at Philadelphia October 6-9.

Miss Carribell's first grade room received the collection for largest percentage of parents present.

Mrs. Floyd West announced Miss Dawn Taft, Youth Ambassador of Warren, would be the speaker at

October meeting and announced the program which was "Back to School Day" with parents visiting class rooms where teachers conducted classes of parents. Refreshments were served in the cafeteria house by sixth grade mothers. Committees announced were vice president Emory Hale Chairman finance committee; Mrs. George La Vigne, chairman of membership committee; Mrs. Max Gage, chairman, hospitality, Music, Mrs. Harold Landin, Miss Norman Abbott, Mrs. George La Vigne Publicity, Miss Scott Stuart, Jr., cafeteria, Floyd Nobbs, Mrs. Harriett Northrop, Mrs. Theodore Allenson, program, Mrs. Russell Forsgren, Mrs. Floyd West, Ms. William Leste, Mrs. Scott Stuart, Jr.

The county meeting of WCTU will be held at the Methodist church in Akeley, on Wednesday, with the first session at 9 30 a m, tureen at noon, and second session at 1 30 p.m. Women desiring to attend should contact Mrs. Theodore Allenson, president.

Mr. and Mrs. Park Baldwin of Oconomowac, Wis., have been guests of their parents, Dr. and Mrs. W. C. Baldwin, and brother, Robert, and family, Mr. and Mrs. Robert Baldwin and daughter, Carol, were recent guests of their brother and enjoyed a Canadian trip.

### Your money and your bank

Based on "USING YOUR BANK" by Dr. George L. Lefler, Professor of Finance, The Pennsylvania State University

Modern bank vaults are almost indestructible. Reinforced concrete, thick steel walls, time locks and automatic burglar alarms completely discourage illegal entry and protect against all hazards. An American built bank vault withstood the atomic bombing of Hiroshima, and more recently, bank vaults have withstood hydrogen bomb test blasts in Nevada.

Almost all banks have safe deposit boxes within their vault walls where valuable personal possessions may be kept securely. Rental rates for these boxes are reasonable and depend on the size box you require.

Replacing your insurance policies, mortgages, receipts, deeds, securities, jewelry, or any other valuable possession is always time-consuming, sometimes impossible. The best protection against loss that you can get for your valuable possessions is in a safe deposit box at your bank.

Now! The year's lowest prices on the one car that's going to stay new!

Plymouth's Double-Value

# DEAL-AWAY!

1 YEAR'S BIGGEST SAVINGS!  
Previous prices topple to brand-new end-of-season lows. A years-ahead Plymouth was never so inexpensive. And remember, too—your present car will never again be worth as much in trade as it is right at this moment, during the Plymouth Deal-Away.

2 THE CAR THAT WILL STAY NEW!  
You keep right on saving . . . because Plymouth is the only new car that's going to stay new. One look at that years-ahead Flight-Sweep Styling; one test of satin-smooth Torsion-Aire Ride is convincing proof. And that means your new Plymouth is going to be worth more—far more—when trade-in time finally rolls around.

You'll be proud of the deal...prouder still of the car!

Look ahead...buy ahead...buy a *Plymouth* and own more of the future right now!

For your TV entertainment, Plymouth presents three great shows: "Date with the Angels," starring Betty White; Lawrence Welk's "Top Tunes and New Talent"; and "Climax!" See TV section for time and station.

ONLY PLYMOUTH GIVES YOU ALL THESE FEATURES NOW!

- Flight-Sweep Styling . . . the new shape of motion
- Torsion-Aire Ride . . . tames the roughest road!
- Double-Header Lights . . . increased safety
- Push-Button TorqueFlite . . . optional on all models
- Directional Stabilizer Fins . . . safer travel at all speeds
- Dozens more . . . see for yourself with a test drive!

### FACTS ON CORONARY HEART DISEASE

Coronary heart disease, the commonest form of heart disease today, is least frequent among young married women, among persons living in the rural part of the southern states, and among those who have had no history or premature death or occurrence of heart disease in the family.

A study of recorded mortality from heart disease by statisticians of the Metropolitan Life Insurance Company reveals variations according to age, sex, weight, race, marital status, geographic region, and other factors.

Up to age 45, the death rate from heart disease runs up to 6.6 times as high for white men as for white women. The ratio decreases progressively with advance in age, until at ages 85 and over, the rates for the two sexes among white persons are about the same. Among non-whites, the sex differences in the death rate are much smaller, and do not vary much with age.

Heart disease death rates are significantly higher for the widowed, the single, and the divorced than for the married. It would appear, therefore, the statisticians point out, that the factors associated with married life—selectivity of marriage and the more favorable environment of the married—influence the level of mortality from the disease.

A number of studies have shown that people who are overweight are more likely to suffer fatal attacks of heart disease. When overweight is coupled with slight or moderate elevation of blood pressure, the chances of such an attack are greatly increased.

The heart disease death rate is lowest in the east south central region and highest in the middle Atlantic region.

"Statistical findings strongly suggest that hereditary factors have a considerable influence on the level of mortality from heart disease," the statisticians conclude.

### SHOCKING DISCLOSURE

We all have been reading for a long time how planes and buses have been cutting heavily into the railroads' passenger business. But it comes as something of a shock, nevertheless, to hear that railroad passenger car makers are on the verge of giving up their manufacture.

Right now there are no major orders for passenger cars on the manufacturers' books, and no prospect there will be.

The builders are either converting to freight car construction, or junking their car building equipment altogether and getting into other lines of work.

When it is realized that the average age of all U. S. rail passenger cars now in operation is 28 years, then the full force of this trend becomes evident. Many of these cars obviously will go out of use in the time just ahead. Plainly, business isn't good enough to justify ordering replacements.

If the government has any idea that this trend has gone too far, and any plan for arresting or reversing it, it had better act. Time is running fast in the railroad passenger field.

Among other perplexing problems that will be confronting members of Council at the October meeting will be a letter from Mel Barron, operator of the Barron Aviation Service stating that he does not plan to renew his lease on the airport "due to financial reasons." Many in the area will join with us in expressing the hope that our City Fathers will find some arrangement whereby active operation of the field may be assured.

One of the interesting events of the early October season will be the Home Furnishing Show to be held at Beatty Auditorium Friday and Saturday evenings, October 11 and 12. Since the event is sponsored by the Zonta Club its success would seem definitely assured.

### THOUGHTS FOR TODAY

And thou, Ezra, after the wisdom of God, that is in thine hand, set magistrates and judges, which may judge all the people that are beyond the river, all such as know the laws of thy God; and teach ye them that know them not.—Ezra 7:25.

True wisdom, that from above, is teachable, movable, and the goal of completeness through that which it learns.—E. D. Head.

## Here and There

North America and Europe will have more influenza this winter than in a generation but the disaster of 1918 will not be repeated, predicts J. D. Ratcliff in an October Reader's Digest article, "How Serious is the Flu Scare?"

Flu usually kills by weakening victims so they become prey to "hitchhiking" diseases mainly pneumonia. Today, sulfas and antibiotics, though valueless against flu itself, are powerful protectors against secondary invaders. A new flu vaccine offers a second line of defense, but whether it can be made in sufficient quantity remains to be seen.

The new Asian flu is not considered a killer; so far, the death rate is about one in 1000 cases. The chance is slight that the virus, now relatively mild, can turn into a killer, yet this possibility is acknowledged by Dr. Anthony Payne, a Briton who coordinates all activities of the World Health Organization at its Geneva headquarters. Dr. Maurice R. Hilleman, a Washington authority, points out that the 1918 flu started as a mild type in the spring and became severe in the fall and winter.

The article points out that the familiar remedies have worked best: aspirin and codeine to minimize discomfort, alcohol rubs to reduce fever, rest in bed. With such treatment, most victims are well in a few days.

Fifty years ago today, we note in an item in the Warren Evening Mirror: "A force of men and teams, under the supervision of D. H. Siggins, broke ground today for the West End Extension of the street railway. The proposed extension will be constructed as far as the borough limits, or about a half a mile. It is expected that it will be ready for use in about a month, should the weather prove favorable for the work. The extension up Conewago avenue, it is hoped, will also be completed before snow flies. The street railway company officials appear to be determined to give the public a splendid trolley service." (Editor's note: It might be mentioned for the information of present-day

readers that the "West End Extension" of the trolley never was completed to the point where any cars were placed in service.

"The Cobham Case" was in the news fifty years ago, as is indicated by the following paragraph from the same column: "The case of Cobham B. H. Sager vs. Henry Cobham et al, in which the plaintiff sues for possession of the property known as Cobham Park, under the will of George A. Cobham, deceased, was taken up in court Monday with Judge George Criswell. The case was suddenly terminated before noon today by the plaintiff attorney taking a non suit. This was probably done as they were convinced that the action that was brought was hopeless. The matter has been tried in court at previous times, when the plaintiffs were trustees for the Cobham B. H. Sager. The attorneys for the plaintiff were J. H. Donley and D. U. Arndt; for the defendant, Wilbur & Schnur, Hunkley and Rice, and Mr. Elliott, an attorney from Standard Oil Company."

Women, just don't put phosphorus on your buns at night when you retire and that way you'll save a lot of trouble—and still be able to talk to your husband! The Warren Ledger, Friday, August 26, 1987, tells about the tragedy in this manner: "A lady put phosphorus on her bunion the other night and retired. In the night the husband spied the glowing thing and sizing it up for a fire-dr, banged it with a boot-jack. She never speaks to him now without first punching him with the crutch which she has since been obliged to wear."

### ★ EDSON IN WASHINGTON ★

## Border Patrol Cuts Down Number of Smuggling Cases

BY PETER EDSON  
NEA Washington Correspondent

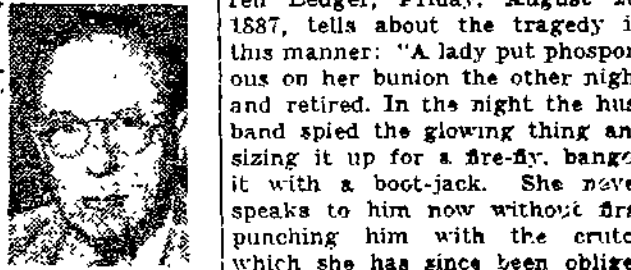

WASHINGTON—(NEA)—In spite of the masses of millions of foreigners and refugees all over the world to get into the United States, attempts by aliens to smuggle themselves or to be smuggled into this country are believed to be at a 10-year low, says James F. Greene, head of U.S. Border Patrol.

This statement is made guardedly, for those who don't get caught can't be counted. But so effective has the U.S. Border Patrol become that few aliens can penetrate its screens, on foot, by automobile, by airplane or by ship.

There was tremendous pressure from Europeans to get into the United States at the end of World War II. But Europe has quieted down now, and the problem is reduced.

For the fiscal year ending June 30, only 405 smugglers of aliens were apprehended by the Border Patrol and there were only 48,000 deportable aliens caught in the United States.

Contrast this with 1954 when 1,800 smugglers of aliens were caught and there were 1,028,000 deportable aliens in the United States. Over 99 per cent of them—1,022,000—came from Mexico. They were "wetbacks" crossing the river to find work.

Our Corydon correspondent submits this interesting bit of information about the mysterious ice chunks which are reported to have fallen recently in Western Pennsylvania: "According to an article from Reading, mysterious ice chunks which fell recently in five Eastern Pennsylvania localities have been described as fused hailstones. Dr. Malcolm J. Reider, head of the M. J. Reider, associates laboratory which tested samples of the ice, offered the explanation. He said the ice contained atmospheric debris which indicated it formed from frozen water drops during a storm which stirred up dust from the earth. Reider said at least three of them were carried great distances by a jet stream until they became too heavy and dropped to earth. The ice cakes some of which weigh 100 pounds, dropped recently on Bernville, Camp Hill, Harrisburg, Chester and Philadelphia."

## State Savings and Loan League Will Meet Next Month

The 80th anniversary of the Pennsylvania Savings and Loan League, largest and oldest trade association of its kind in the United States, will be commemorated during the organization's annual meeting on October 14, 15 and 16, at the Hotel Yorktown in York.

With a membership of 711 savings, building and loan associations, the League will hear a report on the "Current Savings and Loan Economy" by George R. Parker, president of the Federal Home Loan Bank of Pittsburgh, and see a demonstration on real estate appraisals by Walter H. Geary, Jr., Philadelphia. The guest speakers also will include Theodore L. Thomas, Lancaster, a patent attorney for the Armstrong Cork Company.

Six "brainstorming" sessions on advertising, merchandising and personnel, will be held on the second day of the convention for the managing officers of associations according to assets. A similar meeting has been arranged for attorneys and solicitors, who will discuss legal problems of common interest to the conferees.

Clelland L. Mitchell, Philadelphia, president, and James B. King, Harrisburg, executive vice president, will present their reports at the opening session. Other League officials participating in the program will include: Kenneth G. Baily, Waynesburg, first vice president and chairman of the resolutions committee; Alvin J. Stosch, Pittsburgh, second vice president and chairman of the budget committee; Harold B. Hutchinson, Philadelphia, treasurer, and Elmer W. Phillips, Philadelphia, chairman of the credentials and elections committee.

## Tricks Help Dual-Purpose Room

BY KAY SHERWOOD  
NEA Staff Writer

A ROOM that's attractive-ly dual-purpose is almost a necessity in small quarters. Yet sometimes the little chunk of floor space available seems scarcely large enough to serve even one purpose.

If you want to include guest-room facilities in living room or den, for example, the first problem is what kind of sleeping equipment to have and where to put it. Standard-sized sofa-bed combinations may be too big to squeeze into the space. Studio couch arrangements gobble up precious wall space which might be needed for storage chests.

DESIGNED to meet this dilemma are small-scale combinations. These measure about 40 inches overall and can seat a slim, compatible couple when closed. Under the trimly upholstered exterior is a standard 33-inch mattress which unfolds to make a comfortable bed for one. Because of its size, one of these seats can be used in a free-standing arrangement much like an ordinary chair or loveseat. Many young homemakers put it to another use by covering the opened-out mattress with a decorative spread, to provide extra seating space when they entertain.

Styling of such combinations is basic and simple. Depending on choice of upholstery, it will blend with either contemporary or provincial surroundings.

Small-room sofa hides a twin-bed size mattress which can be used as guest bed or, as shown here, covered with decorative spread to provide extra seating. Storage chests are painted pale gray to match walls. Precise provincial pattern of curtains is repeated in matching wallpaper covering jog in wall. Floor is linoleum in stone pattern; rug, multi-colored fiber.

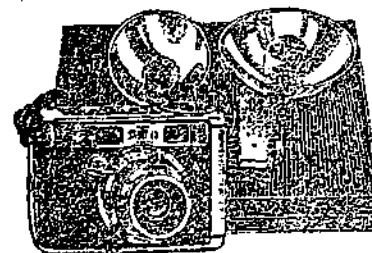

Furnishings for any small room which will be used more or less around the clock must be carefully planned. Otherwise it will look overfurnished. In the case of young apartment dwellers, such furnishings must also be planned with an eye to future uses and present budgets.

ONE WAY to minimize the bulk of storage chests is limited

space is to paint them the same color as the walls. Solidly built, ready-to-paint chests and open shelf units are not expensive. And they lend themselves to flexible arrangements and changes in color schemes. Basic designs in these units don't change much, so additions fit into the lineup without looking out of key. A much-used small room lends

## NEW BPW HOME

Pictured above is the new national headquarters of the National Federation of Business and Professional Women's clubs, located at 2012 Massachusetts avenue, Washington, D. C. The new building opened on September first, and all members of the BPW will be welcome to visit there on any trips to the nation's capital.

**FRANCIS ASBURY CIRCLE**  
Mrs. Robert Sedrick entertained 2 members of Francis Asbury Circle of First Methodist church at her home, when devotions were given by Evelyn Curtis. Mrs. Sedrick, circle chairman, led a discussion on projects for the coming year and it was decided to bring clothing to the next meeting to be sent to the Belgium Congo. Mrs. Iva Lawhead gave an interesting reading about Francis Asbury.

In conclusion, refreshments were served by the hostess, assisted by Mrs. David Smith.

## Women Are Planning Old-Fashioned Market

Farmer's Market time is almost here again! The Presbyterian women will recreate a scene which was familiar in Warren over a hundred years ago on October 3. The church lawn will be the setting for a real old fashioned market. The women will be dressed in period costumes to sell baked goods, candy, aprons, children's games, garden produce, cheese, gift items and handmade Halloween costumes.

Mrs. A. Folmer Yerg, general chairman, says, "Last year's Farmer's Market was so successful that some people had to be turned away for the noon lunch we served. This year the committee guarantees a bountiful supply of the good charcoal hot dogs and Sloppy Joe hamburgers for all the school children and working girls who attend".

Mrs. Vance Weld and Mrs. Fred Emhardt and their circles have charge of preparing and serving the outdoor lunch. They will provide besides the hot dogs and hamburgers: baked beans, ice cream, cake, coffee, milk, and pop. The hours for serving will be from 11:00 a. m. to 5:00 p. m.

Don't forget to save Thursday, October 3, for a date with the Farmer's Market at the Presbyterian Church.

## Area Officers At PSEA Executive Board Meeting

Executive Board meeting of Pennsylvania State Education Association was held at Titusville in Col. Drake Hotel last evening. James Cable of Warren, president of Northwest Convention District, PSEA, presided.

Dr. Kenneth Frantz of Erie, program chairman, for the PSEA Convention to be held in Erie Oct. 21, distributed and discussed a program for the future gathering. State committee members and local presidents gave reports.

Present from this area were Miss Jane Masters, Warren Education Association president; Richard Hiles, Warren County PSEA president; Mrs. Margie Finlan of Youngsville, member of nominating committee, James Cable, Northwest Convention District president; Mrs. Helen Morrow, state committee member, public relations.

## JACOBY ON BRIDGE

**FINE BIDDING REACHES SLAM**

Today's hand is a lesson in fine bidding. Let's start with the opening bid by Otille Reilly, well-known New York teacher.

She bid one club. Normally with two good five-card suits you should open with the higher ranking, but clubs and spades are the one exception since the club opening makes rebidding easier.

Sally Johnson of Westport responded with an immediate jump to two diamonds. With 18 points in high cards and a very strong six-card suit Sally did not wait to show her strength merely because she only held one club.

Otille's two- and three- spade rebids showed that she held five spades and therefore at least five clubs. (With four clubs and five spades she would have opened one spade).

Sally's bid of three no-trump showed heart strength and left it

up to Otille to move if a slam was in the offing. Otille moved all right. She had shown her distribution but had not shown her 17 points. Her problem was to find the best bid and she came up with five no-trump.

This fine bid told Sally to choose the spot for the slam and Sally was careful to bid it in no trump. It was a cinch that Otille held

the king of hearts for her five-no-trump bid. It was also a cinch that the partnership held enough high cards for the slam. Not only would no-trump count more than a suit (the game was duplicate without honors scoring) but it had to be safest.

Nothing could be ruffed at no-trump and a bad break in one suit could not hurt the no-trump slam. It was well that she picked no-trump. Spades and clubs would make also, but the diamond slam was certain defeat because of the bad trump break.

## ♥CARD Sense♦

Q—The bidding has been:  
South West North East  
? You, South, hold:

AS VAQ765 AK965 4J2  
What do you do?

A—Open the bidding with one heart. With two five-card suits you should bid the higher-ranking one first except with clubs and spades.

TODAY'S QUESTION

Your partner raises your one-heart bid to two. What do you do?

Answer Monday

# POTWATCHERS

Save 182 hours of potwatching a year.  
Get a Burner-with-a-Brain GAS Range.

The average woman cooking for four people spends around two hours each day getting meals. And out of that two hours, at least 30 minutes are spent just watching food to make sure it doesn't burn, scorch or boil over. Figure it out—that's 182 hours of potwatching a year!

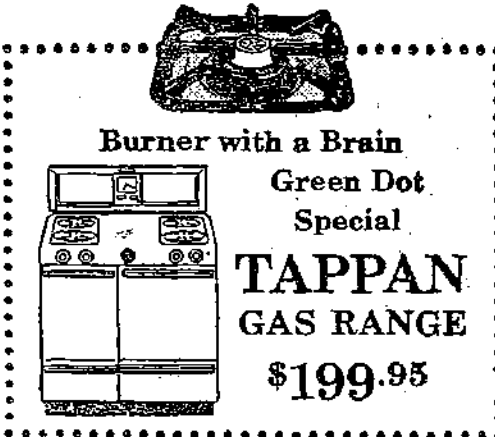

But a new GAS range, with its automatic top Burner with a Brain, saves you all that time. Even more important, it won't let foods burn. It raises and lowers the flame auto-

matically, keeps the exact temperatures you dial. You never have messy boilovers to clean up, scorched pans to scrub, burned food to throw away.

And if someone's late for a meal, you can keep food serving-hot longer than you've ever been able to before. Even mashed potatoes stay moist and creamy for 50 minutes or more.

Go modern! See the Burner with a Brain demonstrated right away.

### Annual Campaign for the Warren County Girl Scouts Starts Sept. 30

Mrs. Wade Ransom, president of the Warren-Forest Council of Girl Scouts, is acting as chairman of the annual Girl Scout County Fund Drive scheduled to open September 30th. Volunteer workers will conduct porchlight campaigns on that evening for funds to continue and expand Scout activities for girls from seven to 17 years old in this area.

Sub-chairmen in the following communities are: Mrs. Ed Day, Youngsville; Mrs. W. W. McMullen, Sheffield; Mrs. Clarence Deible, Marienville; Mrs. Carl Rasmussen, Clarendon. Campaigns will also be conducted in Russell, Sugar Grove, Lander, and other areas served by the local Council, with the exception of Warren Borough.

Pleasant, Starbrick, and North Warren.

In discussing plans for the drive, Mrs. Ransom called attention to the increasing need for youth programs today when young people are spending so much of their time away from home and when they have so much more leisure time on their hands. "Through Girl Scouting," she asserted, "girls enjoy wholesome recreation, form rewarding friendships, develop practical skills and healthy attitudes that may well determine the direction their lives will take."

Lewis Crippen, finance chairman of the local Girl Scout Council, is in charge of the Special Gifts Division, which has already begun its work.

Theme of the fund-raising drive is "You Can Count on Her—Can She Count on You?"

#### CIRCLE MEETING

The Doris Bloomster Circle of the Grace Church met Monday evening at the home of Mrs. Thelma Christensen, with eleven members and one new member present. Devotions were given by Miss Martha Bartoo; also the short business session.

The following officers were selected for the year: Secretary and treasurer, Mrs. Andrew Christensen; corresponding secretary, Mrs. Grace Firth; project chairman, Mrs. Hazel Shields; devotions,

Mrs. Faya Gigliotti; sunshine, Mrs. Walter Mathyer; phone committee, Mrs. Thelma Christensen, Mrs. Clyde Drum and Mrs. Walter Anderson; publicity, Mrs. Jane Paul.

Refreshments were served by co-chairmen Mrs. Christensen and Miss Bartoo. The October meeting will be held at the home of Mrs. Hazel Shields.

### Former Sheffield Resident Takes Bride in Ceremony at Marcus Hook

Sheffield—A lovely fall wedding took place at 3:00 p. m. August 31 in Christian Holiness church, Marcus Hook, when Edna Mae Hampton, of Chester, became the bride of Charles F. Williamson, of Allentown, former local resident and son of Mrs. Camilla Williamson, Sheffield.

The ceremony was performed by Rev. L. Wolfgang and Rev. A. C. Russell, both of Allentown, the latter formerly of Sheffield, before an altar decorated with gladioli and palms. Wedding music was furnished by Rebecca McKinney and Elsie Ford.

Given in marriage by her father, the bride chose ballerina length white lace over satin with fitted bodice and a Peter Pan collar. Her finger tip veil was attached to a sequin head piece and she carried a spray of white carnations centered with an orchid corsage.

Maid of honor was the bride's sister, Marion, in ballerina length light blue nylon over taffeta, a white taffeta jacket with matching headpiece and slippers. Bridesmaids were her sisters, Eleanor and Barbara, of Chester, similarly gowned in pink and carrying old fashioned bouquets of roses. Susan Burns, niece of the bridegroom, was flower girl in floor length blue taffeta, carrying a basket of red and yellow sweetheart roses.

Best man was Keith Cromwell, Houghton, N. Y.; ushers were James Russell, Baltimore, Md., and

Fred Burns, Sheffield, brother-in-law of the bridegroom. A nephew, Craig, carried a white Bible, the bridegroom's gift, topped with a large bow with white streamers.

The bride's mother chose beige lace with black accessories and the bridegroom's mother selected a pink silk print with white accessories. The grandmother of the bride appeared in navy blue, with an orchid corsage.

A reception for 80 guests was held at Anity Hall in Chester. The bride's table was decorated with a three-tier wedding cake surrounded by floral bouquets, the bridal bouquet and white tapers. The bride's aunts poured and served the cake; Martha Cullis managed the guest book.

Out of town guests were from Baltimore, Md., Houghton, Philadelphia, Allentown and Sheffield.

For a wedding trip through the New England States, the bride chose navy blue with matching accessories and an orchid corsage. The couple will reside at 402 Washington street, Allentown.

The bride is a graduate of Chester High School and attended Eastern Pilgrim College. The bridegroom graduated from Sheffield High School in 1960, attended Houghton College, and is furthering his study of the ministry at Eastern Pilgrim College, Allentown.

Pre-nuptial parties were given by Martha Cullis and the bride's sisters.

### Youngsville Girl Is Bride of Irvine Man at Church Ceremony

Youngsville—Ina May, only daughter of Mr. and Mrs. Urno Gustafson, Sr., 223 East Main street, Youngsville, became the bride of Ross H. Walters, Jr., son of Mr. and Mrs. Ross H. Walters, Sr., of Irvine, in a double ring ceremony performed at 2:30 p. m. September 21 in the Methodist church by Rev. J. Norman Holder.

The bride selected a ballerina length gown of light blue taffeta with lace trim, a blue hat with matching veil and accessories and a pink carnation corsage.

Her only attendant was Connie Peterson, of Warren, who wore brown taffeta with matching accessories and a white carnation corsage. John Lucia, Youngsville, was best man.

The bride's mother chose black crepe with pink trim and matching accessories; the bridegroom's mother selected black lace over pink taffeta and matching accessories, each with a white carnation corsage.

A reception for 50 guests fol-

lowed at the National Forge Club house. The bride's sister-in-laws served as aides and included Mrs. Howard Gustafson, Mrs. Richard Gustafson, Mrs. John Gustafson, Mrs. Urno Gustafson, Jr., Mrs. Lois Johnson and Carolyn Darling. Guests were present from Oil City, Port Allegheny, Sugar Grove, Pittsfield, Warren, Youngsville, Erie and Irvine.

For traveling the bride chose a navy blue shantung sheath with matching jacket and hat and red accessories. After October 1, they will reside in their newly-furnished home at Irvine.

The bride, a 1954 graduate of Youngsville High School, is employed as receptionist and dental assistant for Dr. A. N. Stilling. The bridegroom is a 1950 graduate and is employed at National Forge and Ordnance Company.

Pre-nuptial affairs were given by the bride's sister-in-laws, also by Mrs. Lois Johnson and Carolyn Darling.

#### YOUTH BANQUET WELL ATTENDED

The youth banquet at First Methodist Church last night was well attended. Greetings were brought to the group by Jane Carter and David Sedwick, presidents of the Intermediate and Senior Youth Fellowship, respectively. The speaker of the evening, the Reverend Newton Swanson, pastor of the Hickory Methodist Church, Sharon, Pennsylvania, gave a challenging address, "Get It Straight." Fellowship singing was led by Dr. A. Culmer Schultz with R. Pierson Eaton at the piano. David Sedwick was toastmaster.

#### BETA SIGMA PHI RUSH PARTY TONIGHT

The Epsilon Epsilon Chapter of Beta Sigma Phi will hold its rush party this evening at the home of Mrs. Richard Baker, Clarendon. The party will start promptly at eight o'clock, and members and guests are reminded to dress "tacky."

#### NOTICE

Drs. Geo. and Veryl Riley will not be in the office from Sept. 29 to Oct. 13. Dr. Joseph Mull will be in the office Oct. 8 to 10, from 7 to 9 p. m.

**GOLD STAR MOTHERS ENTERTAINED AT DINNER**  
Chief Complanter Unit No. 135, American Legion Auxiliary entertained the Gold Star Mothers of Warren County at a tureen dinner on Tuesday evening, September 24, at the local Legion Home, with 25 members attending.

The tables were decorated with centerpieces of gold and white flowers, while the mantle bore bouquets of blazing scarlet sage, furnished and arranged by Mrs. Esther Carnes. The yellow tapers were held by tiny gold stars and gilded cones on the favors continued the color theme. Complimentary calorie counters furnished much merriment.

The president of Chief Complanter Unit, Mrs. Mabel Bisson, welcomed the Mothers and the Auxiliary members. Mrs. Grace Granquist, Chaplain of the Gold Star Mothers, pronounced the Invocation. In the absence of the Gold Star Mothers' President, Mrs. Pearl Ferro, who is ill, Mrs. Gerda Carlson, President-elect, thanked the Auxiliary for their kindness and consideration.

After the short business meeting, the ladies were entertained with pictures of the recent Department Convention, activities of the local members during the past year, followed by pictures of Florida, Yellow Stone Park and other western scenes, including The Grand Tetons and Salt Lake City, shown by Mrs. Bisson, and Mrs. Frances Phillips.

The chairman, Mrs. Alberta Geronzo, was assisted by Mrs. Wilda Wilson, Mrs. Edith Krespan, Mrs. Phillips and Mrs. Bisson.

## GOLDEN AGERS INSTALL OFFICERS

A large group attended the Golden Age Society meeting Monday at the YWCA Activities building, when new officers were installed. A lovely centerpiece of yellow and white chrysanthemums, furnished by Gorton's Flower Shop, was later sent to a member at the hospital. Mrs. Violet Borg entertained in her usual pleasing manner and Ed Honhart showed some magic tricks. Next meeting will be held on October 14.

## Gathered From The Party Line

Mr. and Mrs. Lewis Jones, of Irvine, with their son, Myles and grandson, Jimmy, of Kane, have returned home after a two weeks' visit to N. E. Margaree, Capt. Breton Island, and Nova Scotia, where they visited James Greig, Mrs. Jones' father.

## High School Notes

The first meeting of the Hi-Y Club will be tonight at 7:00. The meeting will be followed by a swim.

Members of the Dragon Staff will sell blue and white pom-poms in the front hall after school Thursday and Friday.

The Spot will be open tonight from 6:00 to 9:00.

A representative from Kenyon College, Gambier, Ohio, will be here on Friday, October 4, to meet and speak with interested Junior and Senior boys. Kenyon College is a liberal arts and science school. It has also a fine three-two engineering program, being associated with Carnegie Institute of Technology, Case Institute of Technology and Rensselaer Polytechnic Institute. Kenyon College is among the top ten men's colleges in the nation.

Junior and Senior boys desiring to meet this representative are asked to register their names in the Guidance office.

A representative from Wilson College, Chambersburg, will be present on Monday, October 7. Wilson College is an all girls' school. During the past few years several Warren High graduates have attended and later graduated from this school, and interested Junior and Senior girls desiring to meet and speak with this representative are asked to register their names in the Guidance office.

Nominees for the Queen of the Homecoming Celebration which is to take place on Saturday were chosen in home rooms at Warren High School yesterday. They are Joan Dunham, Beth Francis, Nancy Grosch, Mary Lynn Leonard, Ann Loding, Judy Peterson, Sandy Steinkamp.

Class officers to serve on the Warren High School Student Council Board have been chosen. They are: Sophomore Co-Presidents, Jean Massa and Bill Elmhurst; secretary, Violet Biekarc; treasurer, John Aldrich.

Junior co-presidents: Sue Ann Jones and Robert Haslet; secretary, Leona Meade; treasurer, James Miller.

Senior co-presidents, Joan Dunham and Jerome Martin; secretary, Jane Duffield; treasurer, John Suppa.

## GLADE WCTU

Members of the Glade WCTU will meet Friday afternoon at two o'clock in the Winger Room of the Grace Methodist church. Mrs. Gladys Jamieson will be the hostess, and a large attendance is hoped for at this first meeting of the new year.

## Times Topics

### DALMATION LOST

Mrs. G. A. Parfitt, who lives on the Warren-Jamestown Road, near the Country Club, informed us this morning that a young female Dalmation dog had wandered to her home. Will the owner please call 4465-R . . . doggie wants to come home.

### KNOW THIS VET?

Register and Recorder Gurney Ball stated this morning he was trying to locate one Alfred R. Johnson who brought in his honorable United States Army discharge to be recorded March 27th of this year. Mr. Johnson, who is a carpenter, is described as having brown eyes and light hair. He received his army discharge from Camp Dix on June 28, 1917.

### IS RETIRING

Warren O. Janes, who has operated the Janes Dry Cleaning establishment at 209 Pennsylvania avenue, east for the past 27 years, has announced he is retiring from business, because of ill health, and this weekend, Thursday, Friday and Saturday, he will hold a clean-out of unclaimed garments. Mr. Janes, who started his shop in the depression years, will devote his time to selling cemetery memorials at his home, 10 Central avenue.

### WEDDING PERMITS

Register and Recorder Gurney Ball announced today that the fall marriage season was off to a flying start with these couples applying for autumnal permission: Laverne Hjalmer Bloomquist and Irene Mary Deutsch, both of Ashville, N. Y.; Randall Leroy Spence and Dorothy Jean McCurry, both of RD 1, Oil City; William Leslie Barnes and Janet Audrey Fraim Gillard, both of RD 1, Tidouite; Rodger Glen Reynolds of Warren and Betty Jane Green of Falconer; Paul Calvin Slagel and Ada Deiores Anderson, both of Warren.

## Access Roads to Swick Site To Be Discussed

An attempt to determine access roads and extent of site for the proposed new high school will be made next Monday evening in Warren High School when Buildings and Grounds Committee members of the Joint Committee meet with architect Ed Warle. Meeting time is 7:30 p. m.

It had been hoped to obtain some idea of the type of building to be erected but the architect's representative said he has not yet completed his preliminary studies of the Swick site topographical survey.

# OBITUARIES

FUNERAL INFORMATION WILL BE FOUND UNDER ANOTHER HEADING

### MRS. NELLIE NELSON

Mrs. Nellie Eva Nelson, 72, widow of Charles W. Nelson and former Clarendon resident, died Tuesday morning at 5:30 a. m. Mrs. Nelson had been in failing health for the past eight years.

She was born September 22, 1885 in Clarendon, daughter of the late Mr. and Mrs. A. J. Armogast, and lived there until 1928 when she moved to Bradford. She was a member of First Methodist church of Bradford. One son, Grant A., Bradford, survives, one brother, M. G. Armogast, Erie and several nieces and nephews. Her husband preceded her in death in 1934.

Funeral services will be conducted in her memory Friday afternoon at 1:30 in Bradford. The remains will be removed to Warren where committal services will be held at 3:30 p. m. Friday in Oakland Cemetery.

### MRS. JENNIE BOYLES

Funeral services in memory of Mrs. Jennie Boyles were held at two p. m. Tuesday, the Rev. Hubert Jicha, officiating.

Bearers for interment in Oakland cemetery were Charles Mohny, Lenard Hedvall, Richard Kraft and Emmet Ecklund.

Present from out of town were Mr. and Mrs. Jay Winchester, Meadville; Mr. and Mrs. Charles Mohny, Mr. and Mrs. Richard Kraft, Jamestown, N. Y.; Mr. and Mrs. L. Hedvall, Sheffield.

### WILLIAM A. MESSENGER

Funeral services in memory of William A. Messenger, 411 Rankin street, were held at 3:30 Tuesday, the Rev. C. W. Baldwin officiating. Officers of North Star Lodge 241, F. & A. M. conducted their ritual Monday evening, with Worshipful Master, Maurice Perry; senior warden, Robert Armstrong; junior warden, Paul Mathis, chaplain, Gerald Rowley; Tyler, Stewart Custer.

Bearers for interment in Oakland cemetery were Harold M. McNulty, Chester W. Kyler, Guy A. Edris, Merle I. Sterling, Maurice A. Perry and Francis A. Morris. Honorary bearers were Thomas L. Armstrong, James A. Blomquist, Myron A. Buzard, William A. Co-

vert, Stuart F. Custer, John W. Lasher, Earl H. Beshlin and Plummer F. Collins.

Attending the services from out of town were Mr. and Mrs. Peter Bohren, Daytona, Florida; Frank Draegert, Gowanda, N. Y.

### HARRY M. GILLESPIE

Harry M. Gillespie, 88, Irvine resident, passed away Tuesday at his home. Born in Irvine on July 25, 1869, he had been a lifelong resident of the community.

Mr. Gillespie was employed as a brakeman on the Pennsylvania Railroad for 52 years, retiring in 1937. He was a member of the Irvine Presbyterian church, PRR Trainmen Association and the honor roll of PRR.

Surviving besides his wife, Sophia Peterson Gillespie, is one brother, Will C. Gillespie, Rouseville; also, several nieces and nephews.

Funeral services will be held at two p. m. Friday, the Rev. Nelson Horne, of Tidouite, officiating, with interment in Oakland cemetery.

## Funerals

### HARRY M. GILLESPIE

Friends will be received at the Lutz-VerMilyea Home beginning this evening, and funeral services will be held there at 2:00 p. m. Friday. The Rev. Nelson Horne, of Tidouite, will officiate with interment in Oakland cemetery.

The Commonwealth of Pennsylvania reserves the right to reject any and all bids.

JOHN J. LYNAM, Deputy Secretary  
Department of Property and Supplies  
Sept. 16-20-25-31

**Where Did You First Meet  
Your New Car?**

Was it in an advertisement? So often the first meeting is ... and how much it means to you and your family now. But it means even more to countless others, whose jobs depend on car sales.

When you buy a car, you help pay the salaries of your local dealer's salesmen. Part of your money went into their bank accounts, to their grocers, to other suppliers here in Warren. The circle goes on widening to include literally thousands all over America ... all kinds of people in all kinds of jobs.

They buy cars, too, and millions of other items every day. Many of these sales begin with advertising on newspaper pages like this, country-wide.

So you can say, truthfully, that every time advertising helps to make a sale, your own paycheck and your family's way of living are just that much more secure.

**Advertising Benefits YOU!**

**Warren Times-Mirror**

**Pennsy Is Moving  
Bradford Freight  
Operations Oct. 1st**

The Pennsylvania Railroad will move its freight operations in Bradford, to the Baltimore and Ohio Stations there, effective October 1. Paul W. Neff, regional manager at Buffalo, announced today.

Agent's headquarters will be in the B & O Station formerly used as the passenger station, while actual freight operations will be handled at the B & O Freight Station nearby.

In announcing the move, Mr. Neff said, "This arrangement not only will permit greater utilization of these facilities with resulting efficiency, but it will benefit the city of Bradford."

Mr. Neff said that PRR tracks beyond Main street will be abandoned and the PRR Freight Station torn down. He said that the PRR will lease its station grounds to the city for a parking lot for the time being.

Transfer of files and partitioning of the B & O Station will begin at once so that the changeover will be completed by Oct. 1.

The PRR reaches Bradford over trackage rights granted by the B & O from Riverside Junction. About a year ago the old PRR passenger station was torn down. It has been several decades since the PRR last operated passenger service into the city.

The move is the result of months of negotiations between the city, railroad officials and other interested parties.

**SUGAR GROVE**

Mrs. Carl Allen and Mrs. Floyd West attended the Home Extension meeting at the home of Mrs. Ben White, Starbrick. The Sugar Grove Group have taken as their project Christmas Wrappings to be on display at the Christmas Party, November 13th at the White Way Drive Inn, at Starbrick, and are reminded their first meeting will be at one o'clock October 1st, at the home economics house, Sugar Grove, when Mrs. Geraldine Johnson will give instructions in sewing in zippers.

The Around the Corner birthday club of Chandlers Valley and Sugar Grove met at the home of Mrs. Margaret Norbeck to honor the birthday of Mrs. Leroy Utter. After a delicious lunch, secret pal gifts were exchanged and Mrs. Utter was presented a variety of gifts. Mrs. Claude Griggs was a guest. The next party will be at the home of Mrs. Frank Crowell October 22 to honor Mrs. Norbeck.

Rally Day will be observed by the Methodist Sunday School at ten o'clock next Sunday.

Rally Day and Promotion Sunday will be observed at a combined Sunday School and worship service at the First Presbyterian Church, at 10:30 a. m. Sunday. Rev. James M. Fisher pastor of the church has announced a Preparatory Service at the church, Wednesday October 2 and World Wide Communion Service Sunday, October 6.

Mr. and Mrs. Russell Clark and

## World Series Relievers and Experience Give the Yanks an Edge Over N. L. Winners

New York (AP)—World Series experience and better relievers could give the New York Yankees an edge over the Milwaukee Braves in the series opening game from today in Yankee Stadium.

Of the 10 Braves' pitchers eligible for the battle between the pennant winners, only Warren Spahn has worked in the Series. He was 1-1 in 1948. On the other hand, every Yankee hurler except Shantz, Art Ditmar and Al Houder has seen action in the postseason classic.

The Yankees' bullpen strength may be an important factor with Bob Grim and Bob Turley the chief firemen. Grim has won 12 games and saved 14 others. Manager Casey Stengel has shown increased confidence in Turley's relieving ability and Bob has come through with several excellent relieving performances.

Milwaukee's best relief pitcher in the last three months has been Eddie Don McMahon. But neither he nor Gene Conley, who came effectively to the rescue of starting teammates in a few key games, rate with New York's top relievers.

Managers Stengel and Fred Haney probably will not announce their starting pitchers for the opening game until next Monday. The naming of pitchers for the

## Pretty Much Depends on Hank Aaron for Milwaukee's Chances

By ED WILKS

If streak-hitter Hank Aaron can keep his big bat boom'n' it may be "Katie bar the door!" when the Milwaukee Braves and New York Yankees, the power clubs of the majors, start swinging in the World Series next week.

Hamer'n' Henry, who hits in spurts but remains dangerous any time he comes to the plate, is on a whale of a ride at the moment, batting .415 with four home runs and 12 RBIs in a 10-game streak. It is no coincidence that his streak overlaps the eight-game streak that brought Milwaukee the National League flag.

It was Aaron's two-run homer in the 11th that nailed the pennant in Monday's 4-2 victory over St. Louis, and it was his first major league grand-slam home run that made last night's 6-1 decision over the second-place Cardinals a cinch.

It was Aaron's 44th home run of the year, third in three days, and kept him in the major league lead while southpaw Warren Spahn, Milwaukee's probable choice for the World Series opener a week from today, won his 21st.

With the pennant decided, the rest of the NL clubs scrambled for the leftovers last night. Brooklyn's Dodgers, playing what probably was their last game in Ebbets Field, nailed no worse than a share of third with a 2-0 victory over Pittsburgh. Cincinnati clinched fourth and stayed in contention for a third-place tie by beating Chicago's Cubs 4-3 and 11-9 in a two-night pair.

Philadelphia's fifth-place Phillies defeated the New York Giants 5-0. In the American League, the Chicago White Sox outlasted Kansas City's Athletics, the club that killed their flag bid Monday, 7-6. Ted Williams' 38th home run gave Boston a 2-1 edge over Washington in the only other game scheduled.

Aaron's big homer came in the first after a pair of singles and a walk off right-hander Sad Sam Jones, who didn't finish the frame. Spahn cracked the Cards again with a five-hitter, giving up the run in the third when Stan Musial doubled and Del Ennis singled.

## Here's Your Preview of the Week's Winners and Losers

By HAROLD CLAASSEN

The Hoosiers haven't the talent New York (AP)—Blocks and tackles, bumps and bruises, winners and losers—here's your preview of this weekend's college football games. Last week's masterful selections and only six losses for an average of 824.

Princeton over Rutgers: These two colleges started all this business almost a century ago so they head the week's selections. Princeton is the Ivy League favorite.

UCLA over Illinois: The Californians have no seniors, Illinois claims it has no halfbacks. It will be played Friday night on the Pacific coast and that gives UCLA the edge.

Northwestern over Stanford: Bob McKeiver is one of the finest running backs in the Big Ten and Stanford no longer has John Biedie. This is the week's TV game.

Tennessee over Auburn: Could be the Southeastern Conference tie will be settled right here. Auburn on the search for a quarter-back.

Purdue over Notre Dame: But don't bet the family jewels. Notre Dame's defense still on the patchy side and Purdue has a horde of running backs.

Michigan State over Indiana: The Hoosiers haven't the talent and their coach has been suspended for a year. Michigan State has everything.

Michigan over Southern California: The Trojans not only lost 11 lettermen via graduation but eight more by conference rulings.

Ohio State over Texas Christian: Both teams in the process of rebuilding.

Pittsburgh over Oregon: The Panthers had better build a fence to stop Jim Shanley or it will be the Oklahoma debacle all over again.

Army over Nebraska, Florida State over Boston College, Brown over Columbia, Cornell over Colgate, Dartmouth over New Hampshire, Holy Cross over Virginia Military, Navy over William & Mary, Syracuse over Iowa State, Villanova over Furman, Yale over Connecticut, Delaware over Lehigh, Penn State over Penn.

## BIG NEWS

Yes, a USED CAR SALE at FERNOW'S is always big news.

Our clean-up on 1957 Pontiacs has loaded us up with fine used cars. IT'S BIG NEWS when you can buy a FERNOW re-conditioned and guaranteed car at a sale price. They are on sale because we need the room. And you'll save plenty.

### SALE STARTS FRIDAY, SEPT. 20th

1956 CADILLAC Coupe.....	Was \$3995	Now \$3793
Fully Equipped		
1956 FORD Ranch Wagon....	Was \$1895	Now \$1787
2-Door, Standard Transmission		

SPECIAL VALUE		
1956 FORD Convertible....	Was \$2095	Now \$1843
Blue and White, Blue Top, One Owner — A Cream Puff		

1955 FORD 2-dr. Custom.....	Was \$1245	Now \$1091
Fordomatic		
1954 BUICK Super Hardtop....	Was \$1545	Now \$1373

Two-Tone Brown, Powerglide		
All Cars WARRANTED for 6 Months or 6000 Miles		

Pontiac **FERNOW** Cadillac  
Open Till 9 P. M., Monday Thru Friday — Till 5 Saturday

## ★ GRAYSON'S SCOREBOARD ★

### Notre Dame Has Material, So It's Up to Brennan

BY HARRY GRAYSON  
NEA Sports Editor

NEW YORK—(NEA)—Everywhere you went around the country, football men were crawling out of the woodwork. And at the fight in Seattle, boarding the plane in Oklahoma City and in the Chicago hotel lobby, the question was the same: "Is Terry Brennan going to make it at Notre Dame this fall?"

The Notre Dame situation probably comes to that, because this is the last year the Irish should have serious difficulty talent-wise. A big, swift and powerful group of sophomores and a well-loaded freshman class means brighter days ahead.

So, the problem for Brennan as a career coach is to come out alive this autumn. That means five victories in a tough 10-game schedule, starting at Purdue, Sept. 28, and running through Southern Methodist in Dallas, Dec. 7, with Indiana, Army, Pittsburgh, Navy, Michigan State, Oklahoma, Iowa and Southern California in between.

FATHER JOHN CAVANAUGH, director of the Notre Dame Foundation, isn't running around the country rapping Brennan's coaching to alumni groups, as one report had it. As a matter of fact, Rev. Theodore M. Hesburgh, C.S.C., president of the university, consulted Father Cavanaugh before appointing young Brennan.

There definitely is no movement now to replace Brennan with Joe Kuharich or anybody else.

But the fact remains that Brennan cannot survive any such disaster as befell the Irish last trip, when they dropped eight of 10 for their worst season in history. Making things worse was the fact that the Cells appeared a bit on the disorganized side in taking four severe shellackings.

THERE WERE extenuating circumstances a year ago. First, there were 33 injuries to men who were badly needed.

Only two seniors, Paul Hornung and Jimmy Morse, contributed substantially to the cause, and the latter was hurt most of the time. Hornung and Morse were the survivors of what turned out to be a poor freshman class. A number of seniors were incapacitated, some flopped academically and others simply failed to measure up as first-class college players.

Brennan has better seniors this time and the juniors are a year older and wiser. Bronko Nagurski doesn't figure to be foiled as frequently as a defensive tackle, for example.

Sophomores have been the difference in many a football campaign and Brennan has some pippins among no fewer than 36, half of whom were sought by numerous other schools.

MONTY STICKLES is a six-foot, 215-pound end from Poughkeepsie. Bob Scholtz and Moose Hurd stick out as centers, the one from Tulsa, the other out of Three Rivers, Mich. George Izo, six-two and 205 pounds, a resident of Barberton, Ohio, and Don White of Haverhill, Mass., have extraordinary ability as quarterbacks. Pat Healy, a six-one, 210-pound halfback, runs like Mickey Mantle, etc.

No fewer than 23 states are represented on the Notre Dame squad. The Irish still get the pick of the country's schoolboys. Hang on, Terry Brennan. The stuff is there and it's going to get better.

Make a good run at them this fall and you've got it made.

## FIRST choice in gas and oil...

Let the top quality, first choice products perfected by Esso Research bring out the best in your car. For instance, Super Premium Esso Extra contains Vitane®, the special additive that combats power-robbing engine gum, to give you really outstanding performance... generally available at a price lower than other "super premiums."

## LAST word in dealer service...

Now's a good time to see your nearby Esso Dealer for a complete lubrication, oil change, tire and battery check and other important seasonal services. You can count on him for all this and plenty more. You'll find his station is headquarters for Happy Motoring. See him soon... travel first class, regularly!

## ALWAYS your best buy!

When you stop at the Esso Sign, you needn't pay an extra penny for power your car can't use because you can choose from three gasolines, not just two. There's Esso, the popular "regular"... big value Super Premium Esso Extra... and for all new cars and higher-compression engines, Golden Esso Extra, "the gasoline that's truly in a class by itself!" Try one of these three fine gasolines next time you drive.

## Kremer Stars as Warren Jayvees Take Olean, 18-6

Warren Junior Football varsity evened its win-loss record in New York-Pennsylvania (NYP) League to one each yesterday when they gathered up their first victory, an 18-6 triumph over Olean Jayvees.

Warren attack began to roll on them Field in the second quarter when Kremer passed to Grady for 5 yards and a TD. Extra point attempt missed.

In quarter three, Kremer quarterback-sneaked two yards to pay lift and the extra point try was blocked to run the score to Warren 12, Olean 0. Then Kremer initiated the third scoring plan when he fired an aerial 26 yards to Jobbell. Third extra point try also missed.

Olean leaped on the scoring again in the final period when Macin picked up a blocked punt in the Warren 20 and scampered across the goal line. Final score: 18-6, Warren.

Next Jayvee game is Monday Sept. 30 at Titusville.

## Tonight's Fight To Be Staged in Detroit Ring

Detroit. (P)—German heavy-weight Willie Besmanoff has the advantage in height and reach and a chance to upset Yvon Durell's title plans when the two meet tonight in a 10-rounder at Detroit's Olympia Stadium.

But Durell, a stocky French-Canadian who owns three fishing boats in Baie Ste. Anne, New Brunswick, is favored to whip Besmanoff in this over-the-weight match that will be nationally televised and broadcast over ABC at 9 p. m. EST.

Durell, a busy fighter who has had six victories and a draw with Tony Anthony in 1957, may be the next light heavyweight to challenge Archie Moore for the championship if he can record a decisive victory over Besmanoff.

## Oklahoma Sooners Still Rank as No. One in Balloting

By The Associated Press  
The Oklahoma Sooners, whose decisive opening victory over Pittsburgh supported the preseason balloting that nominated them as the nation's No. 1 college football team of 1957, can't lose this week.

After reaching the heights to smash Pitt, regarded as the East's best, 26-0, Oklahoma has an idle Saturday before meeting its first Big Eight rival Iowa State Oct. 5.

Meanwhile, the sports writers and broadcasters, who picked Oklahoma first in the preseason Associated Press ranking poll, reiterated their belief by voting the Sooners the No. 1 rank in the first weekly poll after the start of the season.

The results of Saturday's games brought several changes in the preseason ranking order. Of 74 writers and broadcasters participating in this week's poll, 65 voted Oklahoma first; 4 put Michigan State on top; 2 voted for Duke and single first-place votes went to Navy, Minnesota and Iowa.

In the point scoring on the usual 10-9-8 etc. basis, it was Oklahoma 720, Texas A&M 460, George Tech 374 and Michigan State 354. Competing this week's first 10 were Navy, Minnesota, Duke, Tennessee, Oregon State and Michigan.

The top 10 with first-place votes in parentheses:

- |                              |     |
|------------------------------|-----|
| 1. Oklahoma (65) .....       | 720 |
| 2. Texas A&M .....           | 460 |
| 3. Georgia Tech .....        | 374 |
| 4. Michigan State (4) .....  | 354 |
| 5. Navy (1) .....            | 297 |
| 6. Minnesota (1) .....       | 276 |
| 7. Duke (2) .....            | 249 |
| 8. Tennessee .....           | 247 |
| 9. Oregon State .....        | 223 |
| 10. Michigan .....           | 190 |
| The second 10:               |     |
| 11. Baylor .....             | 169 |
| 12. Iowa (1) .....           | 127 |
| 13. Texas .....              | 60  |
| 14. Houston .....            | 53  |
| 15. Southern Methodist ..... | 35  |
| 16. Pittsburgh .....         | 26  |
| 17. Stanford (tie) .....     | 26  |
| 18. Rice .....               | 23  |
| 19. Mississippi .....        | 21  |
| 20. Penn State (tie) .....   | 21  |

## Denver Staggering Buffalo in Games In "Little Series"

Denver. (P)—The power that has marked Denver's play in three American Assn. seasons staggered the Buffalo Bisons 16-5 and sent the Bears into an early lead in the best-of-seven Little World Series last night.

A crowd of 11,858 fans saw the Bears bomb five pitchers for 15 hits, seven of them for extra bases, during the three-hour contest.

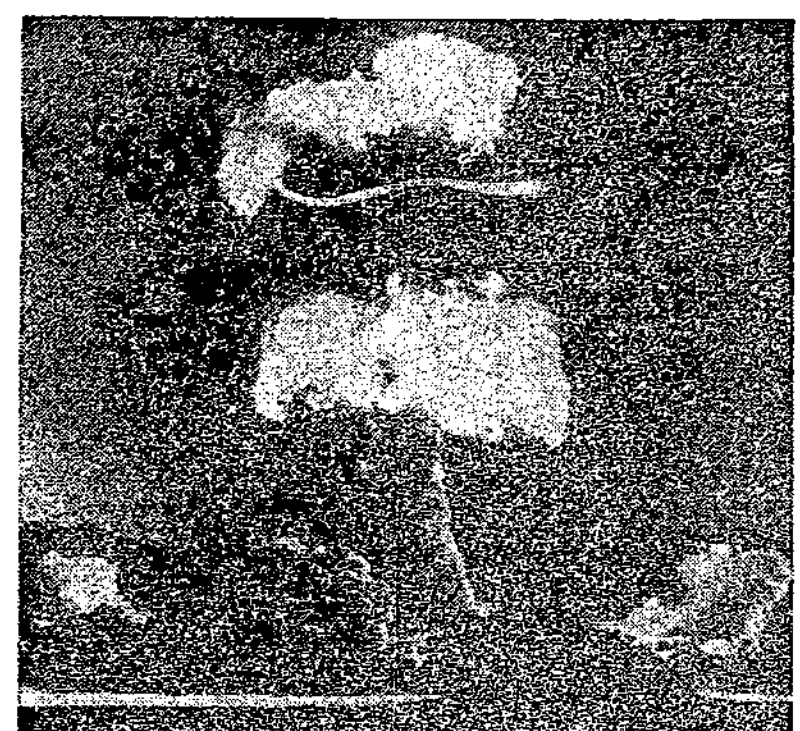

Southpaw Walt Craddock (18-9) will hurl for the International League playoff champions in the second game of the series tonight. Fireballing Ryke Duren (13-2) will take the hill for the home team.

# New Atomic 'Ghost Town'

ATOMIC BLAST churns the Nevada desert and rises skyward as "Priscilla" shot of Operation "Flumbob," the current series of atomic tests, hurls tremendous forces against a new "ghost town" of shelter structures built as possible prototypes for future blast-resistant buildings and shelters in the more vital target areas. (NTO Lookout Mountain Lab Photo)

AUTO ENTRANCE ramp burrows inconspicuously into the desert as it leads down to a dual-purpose underground shelter and garage at the Operation Plumbob atomic tests in Nevada. Lower photo shows how the A-bomb blast crumbled part of the concrete retaining wall but failed to block the entrance. To the right of the crumbled wall is the entrance, closed by a 100-ton, four-foot-thick reinforced concrete blast door (inset), which was undamaged. (NTO Lookout Mountain Lab Photo)

EFFECTS OF STEEL reinforcement are shown clearly in these wall panels tested under high pressure during the current atomic tests in Nevada. The eight-inch brick wall at left was unreinforced, while the other brick and tile walls of the same thickness were reinforced with quarter-inch steel rods, and survived the atomic blast intact. A 26 x 32-foot windowless brick structure, adaptable as a school or utility shelter, also was undamaged even though it was exposed to blast pressures five times those for which a house is normally built. (NTO Lookout Mountain Lab Photo)

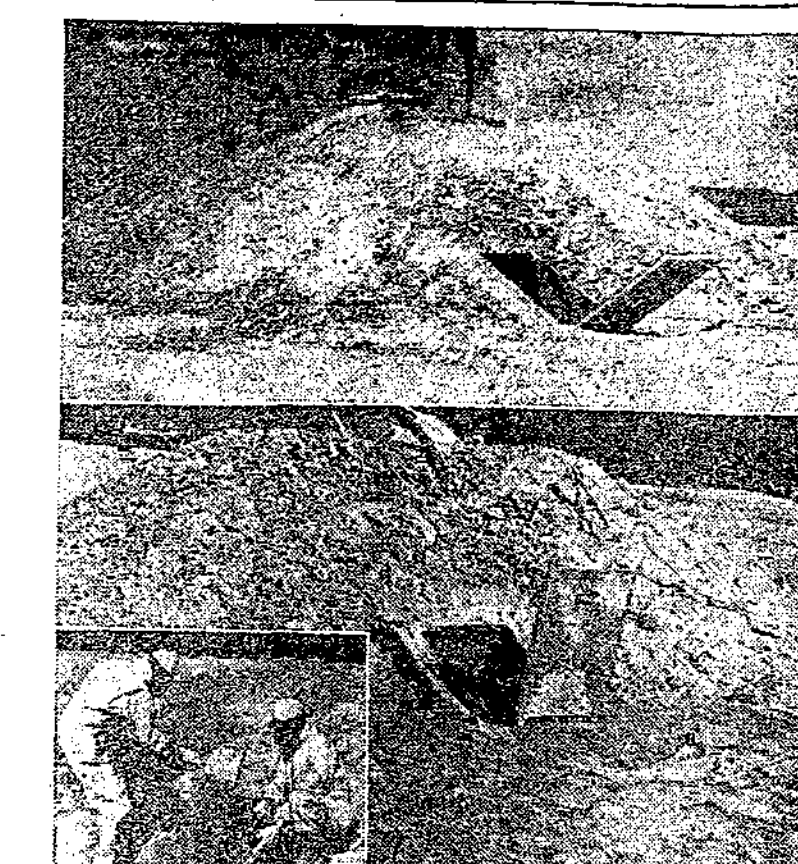

## Odd Shapes Rise In Nevada Desert

The Nevada desert, site of many an abandoned settlement, has sired a 20th century "ghost town."

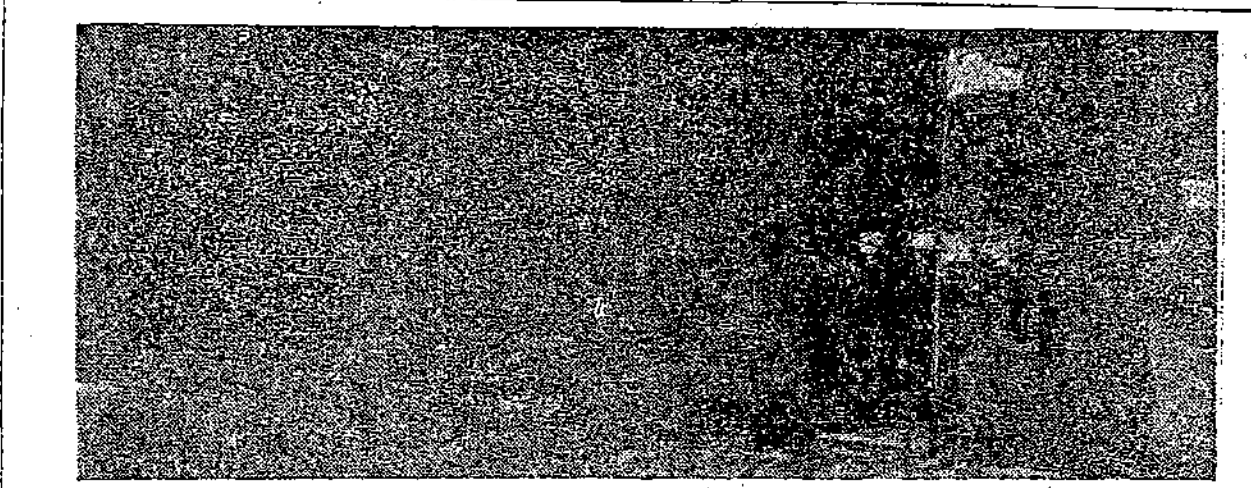

No one lives there. And yet it is a town of the present and future—complete with modern underground parking garages without cars, huge doors leading to nowhere, and futuristic domes emerging from a landscape almost as barren as the moon.

This is "Survival Town"—a community dedicated to its own destruction as a test site for atomic blast effects on various shelter-type structures.

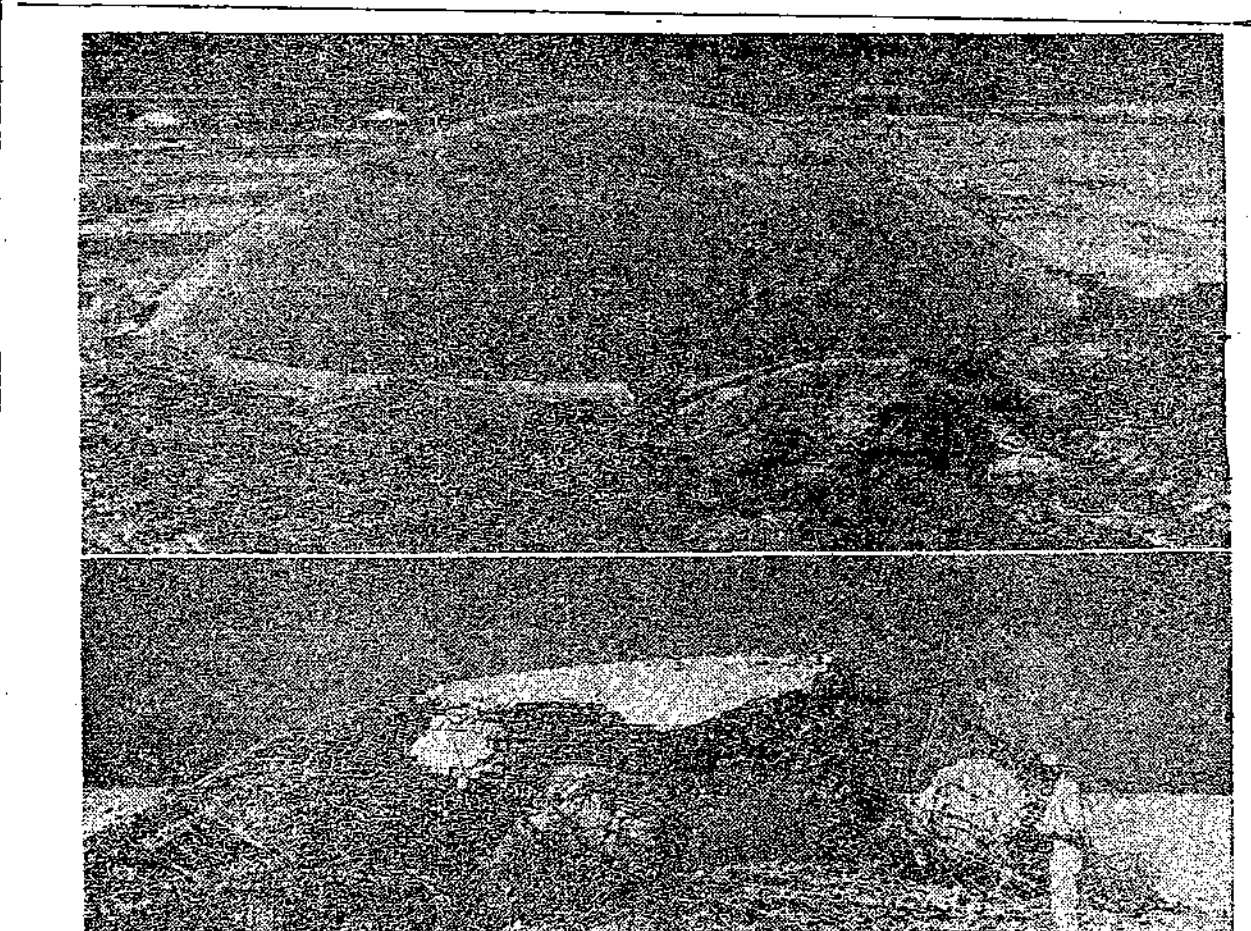

Constructed by the Federal Civil Defense Administration in cooperation with the Atomic Energy Commission and other private and public agencies, "Survival Town" includes underground home shelters and large urban shelters, new dome-type shelters being considered because they are easily built and cost relatively little, a small, blast-resistant "school" building, various types of doors and valves to close shelter openings against a nuclear blast wave, and even a complete bank vault.

HOME SHELTER of reinforced concrete (top) at the Operation Plumbob atomic tests in Nevada withstood a blast pressure of some 65 pounds per square inch (bottom) with damage only to vent pipes (the average house can withstand a pressure of about one pound per square inch). The shelter, which could accommodate about six persons, was covered with 5 1/2 feet of earth for near-complete protection against initial radiation in blast areas. When specially-dressed radiological monitors (inset) entered the area after the A-blast, they found the steel plate door undamaged and easily opened with normal pressure. (NTO Lookout Mountain Lab Photo)

FIVE DOORS to nowhere are set in a test structure at the Nevada atomic test site to measure the blast resistance of various kinds of common building materials. Only the hollow plywood door (second from right) was blasted from its frame at high pressure. Other doors (left to right) were made of solid plywood, wood planking, and two kinds of steel shapes. Circular objects on the wall are anti-blast valves for automatically closing ventilation openings in case of a nuclear blast.

DOMES SHELTERS, a new design whose low cost and easy construction would adapt it to mass production, were tested at the Operation Plumbob atomic tests in Nevada at pressures from 20 to 70 times these which a house is normally built to withstand. The 50-foot-diameter shelters may be seen before the blast in the upper photo. The lower photo shows one of the domes which was deliberately tested at a pressure so great that it would fall, so its weaker points could be studied. (NTO Lookout Mountain Lab Photo)

## Experts Beginning To Feel Sugar Ray Serious on Quitting

New York. (P)—Was Sugar Ray Robinson serious when he said he was thinking of hanging up his gloves for good?

No, according to most expert opinion.

Robinson threatened to retire after Carmen Basilio lifted his middleweight title Monday night, but most insiders agreed he would try to regain the crown.

They point out that Sugar Ray is a man of tremendous pride, and he dearly wanted to beat Basilio and retire as the champion.

Now, having lost the title three times, he wants to give it one more try. If he can beat Basilio in a return, he'll call it quits. He's 37, and can't go on forever.

Basilio is perfectly willing to go through with the return. The contracts stated that it was to be held in 90 days, but that is purely legal terminology. Because of taxes, neither fighter would want to make it again this year.

It probably will be held sometime between February and June. There is talk of holding it either in Miami or New York if it takes place in February or in Chicago if it goes outdoors in June.

## Speaking of Sports ...

driving in three runs in the nightcap, swatting a one-on homer as the Redlegs gained a 10-6 lead in the fifth.

Strong Vincent and East High, two teams which are expected to battle it out for fourth and fifth place in Erie's City Football chase this season, clash Saturday at Erie Stadium in the second City series of 1957. The Colonels won the city championship last season but their fortunes have dropped considerably since graduation exercises, which left them with but five returning lettermen (of whom only a couple saw action in 1956). The Warriors also have been hit hard by graduation but an upcoming Jayvee team, which won the city crown last year, could make things a lot brighter for Coach Duke Detzel.

St. Vincent kept its record clean Saturday when Ronn Mastrean kicked a 14-yard field goal in the final minutes of the game to give the Bearcats a 10-7 victory over Thiel College. It was St. Vincent's second victory of the season in as many games. Thiel's Tomcats opened their season Saturday.

Featuring the passing of Chuck Montedoror and the running of Gordy Kidder and Jim Concilia, Edinboro State Teachers College won its first game handily Saturday afternoon, disposing of Clarion 3-0. After a scoreless first period, the Red Raiders came to life and were in command there after, even when the reserves were sent in, in the last canto.

St. Marys rolled to its second straight victory Saturday, boncing Kane 31-21. Jack Helberger was the big gun for the victors, scoring three touchdowns on runs

## Seven Professors Will Travel With Steelers

Pittsburgh. (P)—Members of Pitt's football squad won't fall behind in their studies while on the West Coast for games the next two Saturdays. Seven professors will travel with them.

The Panthers are scheduled to depart Thursday for a game Saturday night with Oregon at Portland. A week later they play the University of Southern California.

The squad went through a scrimmage yesterday and were scheduled for additional drills today.

TODAY is pay day for all who have classified ads.

### Undetermined

(From Page One)

He cautioned that loitering, assembling in large groups and "otherwise making it difficult for them to perform their duties" may bring orders from the troops for them to disperse.

He pleaded with the white students for cooperation.

The first troops rolled through Little Rock at dusk after flying from Ft Campbell, Ky. They were units of the famous and rugged 101st Airborne Division.

Big carrier planes kept arriving until 1,000 soldiers had been brought in.

Maj Gen Sherman T. Clinger, Arkansas National Guard commander, ordered the Guard to "mobilize immediately."

In placing the National Guard under U. S. Army command, Eisenhower took it from the control of Gov. Orval Faubus, who had used guardsmen to stop Negroes from entering the school Sept 2.

The President, saying he acted with sadness but expressing determination to be firm, addressed the nation by radio and television last night shortly after taking military action.

He said "mob rule" menaced the very safety of the United States and the free world.

This referred to the crowds which surged out of control Monday, attacking police and four adult Negroes. Nine negro students shipped into the school. They were secretly taken out shortly afterward when the mob became riotous.

Eisenhower said his only purpose is to prevent further interference with Federal Judge Ronald N. Davies' order that Negroes be admitted to the school.

There were some indications that white persons were trying to organize a white student boycott of Central High.

Reaction throughout the nation to the President's action was mixed, generally cutting along North-South lines.

It ranged from that of Sen. Johnston (D-SC), who said that were he Faubus, "I'd proclaim a state of insurrection and I'd call out the National Guard and then we'd find out who's going to run things in my state," to that of onetime Democratic presidential candidate Adlai Stevenson, who called the Little Rock trouble "a national disaster" and said, "At this point the President had no choice."

Reaction also was mixed in Arkansas. Generally, the feeling among persons interviewed was that something had to be done, but most indicated they felt the federal government was forcing integration on a city which didn't want it.

Faubus had no comment on Eisenhower's speech.

Lt. Gov. Nathan Gordon, acting governor until midafternoon when Faubus returned to the state after attending the Southern Governors' Conference at Sea Island, Ga., said: "I don't like it. Sending troops in here won't help the situation in the long run. I wonder if they are going to put a soldier with each student?"

### Integration

(From Page One)

munist press hit it the hardest. Pictures of Little Rock mob scenes were widely used.

Headlined in Paese, a leftist, pro Communist paper in Rome: "At last Eisenhower acted to impose respect of the Negroes' equality."

While other newspapers cautiously welcomed Eisenhower's decision to use federal troops, the Communist press charged that the action was too late.

### FLU EPIDEMIC

Jackson, Miss. (AP)—Mississippi's flu cases have increased to an estimated 99,840. Dr. A. L. Gray, director of preventable disease control, said today this estimate was based on physicians' reports in the week ending Saturday. It is an increase of 75,840 over the previous week. The figures indicate flu has reached epidemic proportions in some parts of the state but Gray said the northeast section appears relatively free of the disease. There have been no deaths.

### TO "MOTOR PAVE"

Chester Walker, county highway superintendent, said today that starting tomorrow his men would begin "motor paving" (i. e. black-topping) the "missing link" along Route 61026 on the stretch leading into Lander, and the other stretch from Lander to the state line. Walker also reported that no word has arrived yet from the state about repairing the slide along the Pleasant Township road.

### WINS BLOOMSBURG STAKES

Bloomsburg (AP)—Lenn Hanover won the \$14,335 Bloomsburg Stakes in straight heats yesterday as a four-day trotting meeting got under way simultaneously with the 103rd annual Bloomsburg Fair.

### State's Rights

(From Page One)

tageous and that the bayonets are not there to force integration.

Several possible courses of action were topics of immediate discussion by the heads of states in the last outpost of legal racial segregation.

Of the three Republicans attending the Southern Governors' Conference, two endorsed Eisenhower's stand and his action in sending armed federal troops into Little Rock. The third declined to comment.

The Democrats gave serious consideration to proposals by Gov. Frank Clement of Tennessee that they name a committee to meet with the President and discuss the Arkansas situation.

They also considered a proposal by Gov. Luther Hodges of North Carolina that they adopt a resolution asking the President to leave the maintenance of law and order in Arkansas up to Gov. Orval Faubus of Arkansas as it "is considered to be the primary responsibility of the governor."

Gov. J. Caleb Boggs, a Delaware Republican, is chairman of the Resolutions Committee, which declined to comment on the President's address and had no comment on Clement's and Hodges' plans.

Another Republican on the Resolutions Committee, Gov. Theodore McKeldin of Maryland, said he would not approve any resolution "which even suggests the possibility of President Eisenhower's improper or unwarranted exercise of federal power."

The third Republican among the Southerners, Gov. Cecil Underwood of West Virginia, said he was unalterably opposed to the resolutions.

Clement made his proposal after, he said, losing sleep over the situation the night before. He suggested that a committee of Southern governors call upon the President and "submit at the conference table those things that would be resolved in the streets of Little Rock, or any other American city, by guns and bayonets. Surely a pencil, a piece of paper and a good heart can do more good than a gun and bayonet."

### Integration

(From Page One)

After the speech by the President, whom Armstrong had criticized previously, Satchmo said: "If you cide to walk into the schools with the little colored kids, take 'em along daddy. God bless you."

### Brier Hill Students Return to Their Classes

Brownsville (AP)—About 70 pupils who had stayed away from the Brier Hill School for the past two weeks returned to classes today.

The action followed refusal of Fayette County Judge Eustace Bane yesterday to order the Reston Twp. School Board to show cause why an injunction should not be issued restraining the board from forcing Allison No. 1 pupils to attend Brier Hill.

Atty. William Duffield, representing parents of the pupils, sought the court order. He claimed the Brier Hill School is structurally unsafe.

The dispute arose after the school board announced closing of the Allison No. 1 school, and transferring pupils to Brier Hill.

### U.S. Navy Plane Feared Lost in the Atlantic

London (AP)—The U. S. Navy reported today that four of its planes, carrying 10 men, were missing and are feared to have crashed in the Atlantic while taking part in giant NATO sea exercises.

The Navy identified the planes as two F4D Skywarriors, single-seater jet fighters capable of speeds of more than 1,000 miles an hour, and two S2F antisubmarine planes each carrying four men.

A Navy spokesman said the anti-submarine planes were based on the 33,100-ton carrier Essex. He said he did not know on which carrier the Skywarriors were based.

### Four Killed in Crash Of Crippled B26 Bomber

Dayton, Ohio (AP)—Four persons were killed yesterday when a crippled B26 bomber, attempting to land with one of its two engines out, plummeted to earth a mile short of Wright-Patterson Air Force Base and crashed into a suburban housing development.

Authorities said the Air Force bomber destroyed one home, tore sections off four more, and started fires in two others. Debris from the wreckage injured one person.

Killed were the plane's pilot, Maj. James E. Melancon, 36, San Antonio, Tex.; his copilot, Capt. Wilho R. Heikkinen, 31, Ramsey, Mich.; and two occupants of the demolished house, Mrs. Mildred VanZant, about 40, and her brother Joseph Feisler, about 53.

### Meadville Ending Fast Time on Sunday Night

Meadville (AP)—Along with several northwestern Pennsylvania communities, Meadville will end Daylight Savings Time Sept. 29 instead of Oct. 27 as originally planned.

City Council, which indicated popular opinion had resulted in its decision, approved the proposal last night. Erie and other nearby communities have done the same thing.

Pittsburgh and many eastern seaboard cities will continue on Daylight Savings Time until Oct. 27.

### McSorley Trial Delayed

Harrisburg (AP)—The Dauphin County Court has put off the trial of G. Franklin McSorley, suspended chairman of the Pennsylvania Turnpike Commission on charges of misconduct, until No. 13 Carl B. Shelley, McSorley's counsel, said the postponement was due to a heavy calendar of cases for the present September term. The trial originally had been set down for the current court term.

### \$100,000 PLOT

Wheeling, W. Va. (AP)—The Ohio County sheriff's office is questioning two western Pennsylvania men in an alleged plot to steal \$100,000 from the home of a nearby Valley Grove man. They are Edward J. Anderson, 35, of Cantonburg, Pa., and Rudolph L. Colter, 24, of Houston. The sheriff's office said they were arrested last Saturday night for loitering around the home of the alleged intended victim, Harry Richardson.

# August Bond Sales In Pennsylvania Reach \$37,000,000

Pennsylvanians bought approximately \$37 million worth of United States Savings Bonds, series E and H, during August.

This was the fifth month so far this year that sales exceeded \$36 million. Actual dollar volume was \$36,743,464 of which more than 85 per cent came from sales of the popular E bond.

August sales were particularly gratifying to the U. S. Savings Bonds Committee for Pennsylvania, according to Charles S. Krumrine, state chairman. They were \$324,000 greater than in the previous month of July and \$1,600,000 or 4.6 per cent greater than in August of last year.

Krumrine considers the present sales trend in Pennsylvania to be evidence that repeated reminders by bankers, educators, industrialists, labor leaders and homemakers that "a part of every American's savings belongs in U. S. Savings Bonds" is being heeded.

Bond sales in Warren county were \$82,051 during August, it was reported by Warren county chairman.

National sales were \$345 million last month as compared with \$336 million last year, a gain of 3 per cent.
